SIDEWALK AND CURB REPLACEMENT on Fehling Road near Bradley Avenue is shown being accomplished by Granite City Street Department crews Tuesday afternoon as the last section of sidewalk is

poured. The walks and curbs were removed during a major sewer repair project in which 95 feet of sewer line was replaced. An area of the Fehling Road pavement also will have to be repaved.

Deputies upset by IRS and FBI investigations

Phone rates rising

Federal investigations by the Internal Revenue Service and the Federal Bureau of Investigation—told of exclusively by the Press-Record Dec. 16, 1976—were referred to in television interviews yesterday afternoon and evening.

A spokesman for Sheriff John Maerz today told the Press-Record he believes there are FBI and IRS investigations at the present time.

He said they are baseless and are merely in response to accusations made by unhappy employees, or former employees.

Randy Lamb, a sheriff deputy and a former Granite City man now living in Maryville, said on KSD-TV Wednesday that several deputies feel the U. S. is dragging its feet on the investigations and that they went to Springfield this week to urge faster action.

Chris Condon of the television news staff said he believes some deputies have cooperated in providing information to investigators, and by the delay, have been left "out on a limb."

Lamb said, "Evidently I'm being blamed for something, so I went there to find out why nothing's been done or why I'm being subjected to intimidation and persecution."

The deputy said he feels a reassignment to inside-the-jail duty is unfair to him. The sheriff's spokesman today said more are needed at the jail to prevent recurrence of a May 18 jail break attempt.

Lamb continued, "I don't deserve to be placed in the jail. (Continued on Page 4)

The Illinois Commerce Commission yesterday approved telephone rate increases averaging 50 cents monthly for residences and \$1 a month for businesses.

A commission spokesman said the hikes will bring Illinois Bell southwestern district rates into line with those elsewhere in the telephone system.

A \$110 million annual rate boost was rejected at the same time the ICC approved selected increases that will add \$8,900,000 to yearly revenue.

About \$3,000,000 of the increase relates to long-distance tolls from coin telephones in the Chicago area.

Illinois Bell President Charles Marshall responded, "The decision leaves us far short of the money we need."

"We are now involved in national labor negotiations. Further increases in our costs cannot be absorbed without more rate relief than the commission has provided."

POOLS OPEN SATURDAY

The Wilson Park and Paddlers swimming pools will open for the season on Saturday. Both will open at 1 p.m.

Tension has beset the Madison County sheriff's staff for several years, with the flames of conflict fanned or quelled as varied investigations have heated up or cooled.

A Press-Record study this week indicated that tension again is increasing, with threats voiced, fear rising and investigators accelerating their compilation of detailed information.

References made in this article are to the sheriff department, not to the sheriff or any other individual.

Federal agents have made repeated visits, it was learned, with much of the attention focusing on activities of the former Madison County Deputy Sheriff's Association and on a detective agency apparently operated in conjunction with the association.

Turnoff developed in the mid-1970s and there were changes in the leadership of the association.

More than one sheriff staff member has expressed concern about the future safety of himself and his family. Some have let it be known they have assembled evidence that would be divulged if they are harmed.

It is being contended that a typed notice seen in an official location cautioned deputies against cooperating with federal authorities.

Towing procedures in unincorporated areas have become the center of widespread attention, with state police sometimes clashing with

Flag parade

A Memorial Day "parade of flags," sponsored annually by Disabled American Veterans Quad-City Chapter 53, will begin at 10 a.m. Monday, May 30, at the DAV Hall, 1417 Nineteenth St.

The marches will proceed up Grand Avenue to the Memorial Park across from St. Elizabeth Hospital, 21st Street and Madison Avenue, where ceremonies will be conducted at 10:15 a.m.

The route will be from 19th Street on Grand Avenue to Niedringhaus Avenue and then into the park.

Robert Kennerly, com-

mander of the DAV chapter, will be in charge of the service honoring all veterans. Lynn Mikke is serving as parade chairman.

Participating in the event will be a drill team and honor guard from Scott Air Force Base, representatives of the Army, Navy and Marine Corps, several troops of Boy Scouts and Girl Scouts, Quad-City Navy Mothers Chapter 850, American Legion Post 113, Quad-City Amvets Post 31, Madison Amvets Post 204, Veterans of Foreign Wars Post 1300 and auxiliaries of the

Non-board stop signs in township

While stop signs keep "popping up" unexpectedly throughout Namecki Township, attorneys for the Town Board of Trustees and for Highway Commissioner Frank Mehelic are disagreeing on whether Mehelic has the authority to erect the signs without board approval.

Auditor W. Lee Adams told the Press-Record he is concerned the township could be liable for a suit if one of the stop signs placed without board authorization should be linked with a traffic accident.

The town board's attorney, Irvin C. Slate Jr., commented he has not studied the issue, but believes state statutes require that all stop signs be authorized by an ordinance, passed by an appropriate authority, providing penalties for violating the stop sign and authorizing its placement.

Mehelic disagreed, contending ordinances are required in cities and villages but not in townships. He said he will consider all requests for stop signs and will place them where requested when he feels the request is

justified.

Madison County Superintendent of Highways Lester Miller told the Press-Record Wednesday that his department operates under yet another set of legal guidelines, but that the law regarding stop signs on township roads can be interpreted in various ways.

"One law which is clear is the one that states stop signs on township roads are subject to the written approval of this office prior to being put up, and I have received no requests for new stop signs from Mr. Mehelic," Miller said.

It was earlier indicated that Stratford Lane signs at Village Lane were removed and then restored after petitioners urged stop signs.

Miller said Mehelic did consult with him prior to removing stop signs at Stratford and Village and has not consulted with him or sought permission to return the signs there, or to put up any new signs in Namecki Township.

Miller said he is not certain who is responsible for passing ordinances or resolutions authorizing stop signs and setting penalties, but noted, "I assume that is the responsibility of the local authority, since such signs are not included in the ordinances I present to the County Board for signs on county roads."

Madison service

Madison Amvets Post 204 will hold Memorial Day services at 7 p.m. Monday, May 30, at the Madison Recreation Center, Seventh Street and Lee Avenue, Hank Lopez, service officer of the post, said today.

The memorial address will be given by the Rev. Charlotte Zachary, pastor of the First United Presbyterian Church of Madison.

Father Edwin Phillips of the Polish National Catholic Church will give the invocation, with Father Vladimir Lecko of the

Nativity of the Virgin Mary Eastern Orthodox Church reading the poem, "In Flanders Field."

Wreaths will be placed by Commander William Diak and Mrs. Elizabeth Skubish.

"Taps" will be played by Jim Riskovsky on the trumpet and Dan Tolliver of Explorer Post 10-4 on the bugle.

Members of Explorer Post 10-4 will serve as color guards. All residents and organizations in Madison are being invited to the services, Lopez said.

Venice ceremonies

Venice-Madison American Legion Post 307 will hold Memorial Day services at 10 a.m. Sunday, May 29, at the Legion Home, 740 Broadway, Venice.

William Barks, 22nd District commander of the American Legion, will be the principal speaker.

Post 307 Adjutant Kenneth Hinson will serve as master of ceremonies, with Boy Scout Troop One of Venice raising flags.

Members of the Legion Auxiliary will place wreaths at

a symbolic "tomb of the unknown soldier" on the lawn of Post 307.

NO CITY HALL CEREMONY World War I Barracks 34 Auxiliary President Mrs. Elsie Staggs and Chaplain Mabel Clark will place a wreath at the City Hall grounds in Granite City Monday morning.

Memorial Day, but there will not be a ceremony. In past years, various groups placed wreaths and the Daughters of Union Veterans conducted memorial ceremonies.

Memorial Day weather prediction is favorable

Favorable weather is being predicted for the Memorial Day weekend in the Quad-City area. It will be about 90 degrees today, with light easterly winds and partly cloudy. Rain likelihood is 30 per cent, decreasing to 20 per cent tonight.

This evening will bring clear

to partly cloudy skies, a low of 60 and winds light and variable.

Friday—Clear to partly cloudy and hot, with the high temperatures in the low 90s.

Saturday through Monday—Continued clear to partly cloudy and little or no precipitation. Continued warm, with highs in the 80s and lows in the 60s.

Holiday closings

With the Memorial Day weekend at hand, many Quad-Cityans will be having a three-day weekend.

Banks, plus savings and loans firms, will close at their regular times on Friday and remain closed until Tuesday morning.

Postal services will be on a regular schedule Saturday, but there will be no mail delivery on

Monday.

All state, county and city government offices will observe Monday, May 30, as a holiday by closing.

The Press-Record will publish on Tuesday.

Many restaurants will remain open on Monday.

Several stores will be open and conducting special Memorial Day sales.

Ernest Eli, city inspector, dies

Ernest B. Eli, 67, of 2413 Cleveland Blvd., city inspector for the city of Granite City, died at 12:30 a.m. Wednesday at the Jewish Hospital, St. Louis.

He had been employed in his present position for five years and previously had been employed as a hot strip mill operator at Granite City Steel for 42 years.

Mr. Eli served as police commissioner for 16 years and was president of the board of the Granite City Steel Credit Union.

He also was a member of Moose Lodge 272 and Elks Lodge 1063.

Born in Jasper County, Ill., Mr. Eli resided in Granite City for 53 years. He had been ill for one month and a patient in the hospital for seven days.

He was a member of a Protestant faith.

Survivors include his wife, Mrs. Mary Jayne Eli; twin daughters, Stacey and Shelley Eli, both residing at home; a son, Leonard Krisman of Houston, Tex.; and one sister, Mrs. Inez St. Clair of Brockton, Ill.

The flag at the Granite City Hall is being flown at half-staff in his honor.

Grassroots government

Venice Town Board 7 p.m. today, May 26, at Fifth Madison.

Pontoon Village Board 7:30 p.m. today, May 26, at Village Hall.

Madison City Council 7:30 p.m. Tuesday, May 31, at City Hall.

Funeral arrangements are given in the obituary column.

No multiplier

The Illinois Department of Local Government Affairs on Tuesday certified a final 1976 multiplier of 1.0000—no multiplier—to Madison County, John W. Castle, director of the department, announced.

The multiplier is determined by comparing actual assessment levels determined from the department's annual assessment to sales price ratio studies (the latest level prescribed by statute).

The law requires that assessment rates for the three years immediately preceding the assessment-year be used in computing the multiplier.

Recent increases in property

values are, therefore, reflected in the assessment sales analysis.

Twenty of the 24 Madison County townships received town multipliers, including 1.08 in Granite City and 1.15 in Chouteau.

The statutory assessment level in 1976 for Madison County is 31.34 per cent. Before Board of Review action, the actual assessment levels in the county were 24 per cent of market value on rural property and 36 per cent of market value on urban property.

As a result of the Board of Review equalization efforts, rural and urban assessment

levels were made more equal and the county average level of assessments was raised to the statutory target level, thus earning a final multiplier of 1.0000, a reduction from the previously published tentative multiplier of 1.0683.

Because of the Board of

STEPHEN SOTIROFF

Stephen Sotiroff is party honoree

Stephen T. Sotiroff graduated this month from Cardinal Glennon College, St. Louis, with a Bachelor of Arts in Philosophy degree, followed by a party given by his grandmother, Mrs. Veronica Sotiroff in her home, 1309 Madison Ave.

The commencement mass was celebrated by the Most Rev. Charles Koester V.G. at the St. Louis Cathedral.

Sotiroff is a son of Mr. and Mrs. Chris (Betty) Sotiroff of Decatur, Ill. Guests attending the party were Mr. and Mrs. Chris Sotiroff and daughter Christine, Mr. and Mrs. George Sotiroff and son, Mr. and Mrs. Tony Neibecker of French Village, Mo., Mr. and Mrs. Jim Ward, Perryville, Mo., Mr. and Mrs. Steve A. Skoklo, Mr. and Mrs. Phil Tsigalaroff and sons, Mrs. Katie Sotiroff, Mrs. William Zinser, Don Wolford, Decatur, Jeff Hollender, Quincy, Ill., and Mr. and Mrs. Dave Gensert.

The honoree is also the grandson of Mr. and Mrs. Edward Bulczak of Calumet City, Ill.

Physics is chapter topic

A cultural program on "Physics" was presented by Miss Ruth Stoyanoff assisted by Mrs. Evelyn Tolliver for members of Preceptor Beta Gamma Chapter of Beta Sigma Phi, last week.

Mrs. Pat Tsigalaroff entertained chapter members in her home 3422 Lydia Lane. Mrs. Betty Ebling, vice-president, presided at the session as reports were given by Mrs. Tsigalaroff, recording secretary and Mrs. Jane Laule, treasurer.

A letter was read from the Missouri Beta Sigma Phi in relation to its state convention in October.

Mrs. Norma Rains announced she received instructions from the sorority international office to precede with a "friendly venture" for a chapter in Marion, Ill., and will keep the chapter informed on its progress.

The Sorority City Council requested information from all chapters on its members to compile an actual membership list, it was noted.

The evening prize winner was Mrs. Martha Jean Dyer. Cake, cookies, coffee and tea was then served by the hostess to Gloria Jean Druhe, May Ebling, Dolores Dorch, Dolores Byrnes, Arlene Haldemann, Imogene Forrest and those mentioned.

RADIO, CASSETTES GONE
Cheryl Blackwell, 2129 Grand Ave., said an AM-FM cassette radio and eight cassettes, worth \$130 and \$40, respectively, were taken from her 1966 auto, parked outside her home during the weekend.

SPEECH WORKSHOP. Five advanced speech students from Granite City High School North have received scholarships for a two-week speech workshop at Eastern Illinois University in Charleston beginning June 13. From left to right are John and Mark Kastelic, Bob Slate, Mark Belleville and Kevin Duffield.

Arrest two after scuffle

Robert M. Barnhart, 29, of 2827 Pershing Ave., and Nancy Selph, 28, who resides in the same block, were arrested at Barnhart's mobile home at 12:25 a.m. Tuesday after they allegedly scuffled with officers questioning them in a check of an auto's ownership.

Police alleged that while they were questioning persons, a woman became abusive and screamed and used obscenities toward Patrolmen David Anderson and Donald Petrillo.

Attempts to make arrests allegedly resulted in the man resisting and the woman jumping on officers, biting, scratching and kicking.

Additional officers were requested to assist, and two more officers alleged scuffling before arresting them.

They were taken to the Granite City police station where it was alleged the woman slapped Anderson and force had to be used to subdue her.

Barnhart was taken to the emergency room of St. Elizabeth Hospital at 8:20 a.m. Tuesday for treatment of minor injuries and was returned to police custody. He posted \$25 cash bond and was released. Nancy Selph was released on \$35 bond.

Dean Surbey honor graduate

Dean Surbey graduated from Washington University summa cum laude and received a bachelor of arts degree with majors in the fields of education and psychology at commencement exercises held during the weekend.

At the honor program for graduating students, he was awarded special academic honors in the Department of Education and Psychology and was accorded recognition as one of five graduating seniors elected and initiated into Phi Beta Kappa honor society.

The local resident remained on the dean's honor list for all four years at the university. In April, he received notice he had been accepted as a graduate student at the University of Minnesota, Minneapolis, and has been awarded a full four-year scholarship and grant leading to a doctor of philosophy degree in the field of child development.

He is the son of the Rev. and Mrs. Paul Surbey, 2901 Nameoki Road.

Polish festival planned Sunday

The St. Stanislaus Lodge of Madison will hold an all-day Polish Hall festival Sunday at 825 Greenwood St., Madison, with Polish food of all types being served beginning at noon.

Two bands will be featured: "The Remedies" polka band from 2 p.m. to 7 p.m. and the "Good Times" polka band from 8 p.m. to midnight.

Checkerboard Squares perform at 3 p.m. and the Croatian Junior Tamburitzans at 4:15 p.m.

The Polish Culture Club Choir and the St. Stanislaus Polish dancers will entertain at 5:30 p.m.

A highlight of the festivities will be the crowning of a queen at 7 p.m.

STEAL AUTOMOBILE
Two-tone blue 1976 Ford half-ton pickup truck of Eugene Hutchinson, Perryville, Mo., was stolen from the 3000 block of Village Lane between 11 p.m. Tuesday and 8:30 a.m. Wednesday.

Avoid fatigue and take 'safety break,' holiday drivers told

The Illinois Free Spirit React Team will operate a "safety break" station for weary holiday travelers for a 74-hour period during the Memorial Day weekend, Lee Riley, district director of the Illinois React Council, announced today.

The "safety break" project is part of a National React Safety Break effort against highway accidents, sponsored by the American Trucking Association.

Two large tents will be erected by the Free Spirit React Team at Interstate 270 and Illinois Highway 111. Holiday motorists will be invited to stop, take a "break" and enjoy refreshments.

"More than 47,000 people died on our nation's highways in 1976," Riley said. "Many of these fatalities are attributable to sleepiness, fatigue and a condition referred to as 'highway hypnosis.'"

"Our aim is to get travelers off the highway long enough to wake them up with a coffee break," the local man stressed.

React safety breaks are being used to prevent accidents by React teams in all parts of the country, as part of the public service organization's concern for highway safety.

Citizen band break at Croatian Home

Persons interested in citizens' band radio are being invited to attend the first annual "break" of the Flipper Tail Club of the Croatian Home, Sunday at 6 p.m. to 6 p.m. Sunday at the Croatian Home, 1000 Madison Ave., Madison.

Club President Bill Skinner, whose CB handle is Niteam, said the break will be a "fun affair" with prizes and trophies to be awarded in various categories of competition.

Refreshments will be available and musical entertainment will be provided by The Mossburg Shotgun band during the afternoon and early evening.

Handicraft projects and artwork by club members will be shown, and dealers will display the latest CB equipment and accessories, Skinner said.

Proceeds from several activities Sunday will be used to help an ailing child and to provide a donation to the Children's Hospital for Crippled Children in St. Louis.

Trophies will be presented to the largest chartered CB club in attendance, the farthest traveled club of five members.

Concern on possible prison plan at Alton

A visit by an aide of Governor James R. Thompson to the Alton Mental Health Center (formerly Alton State Hospital) yesterday afternoon is causing concern among the 300 employees that the facility may be converted to prison use.

"Most of the employees are women and could not obtain work at a men's prison," a Quad-City man working there told the Press-Record.

There are 260 patients at the hospital and the closest they could be housed would be Jacksonville, Anna or Chester.

Savings cited in air base closing

Congressman Melvin Price announced Tuesday that he had been informed of the decision to transfer over 2,000 military and civilian personnel from the Richards Gebaur Air Force Base near Kansas City, Mo., to Scott Air Force Base, Belleville.

Price said he learned Tuesday of the decision in a letter from Major General Charles C. Blanton, U.S. Air Force, director of legislative liaison.

Text of that letter follows:

"This is to inform you and other interested members of Congress of the Air Force decision to close Richards Gebaur Air Force Base, Mo."

"All but the facilities required for the 442nd Tactical Airlift Wing, Air Force Reserve, will be reported to the General Services Administration for disposal and civilian reuse."

"In order to close the base, it will be necessary to relocate their Air Force Communications Service to Scott Air Force Base, Ill."

"The closure and associated moves will begin as soon as possible, consistent with Public Law 94-31, Section 612."

"As many of the actions as possible will be implemented during the summer and early fall of 1977."

"The flight line and associated facilities for use by the 442nd Tactical Airlift Wing will be maintained by a cadre of about 200 people, either civil service employees or contractor personnel, whichever proves to be the more economical."

"It has been determined by the secretary of the Air Force that the benefits which would accrue to the Air Force outweigh the environmental impact of the action."

"Although there are significant social and economic effects on the Richards Gebaur base, the bio-environmental impact of this action on the location will be insignificant. At Scott Base, there will be significant secondary environmental impact resulting from the introduction of several

thousand people over a period of a few months.

"However, the resulting growth is essentially consistent with local planning and within the capacity of local communities and institutions to absorb. Negative aspects of this

population increase which were accepted by local leaders and citizens in the Scott area are not sufficient to offset the space and end-strength reduction benefits to the Air Force.

"Economies realized will be allocated to enhance combat readiness."

"As a result of these actions, the Air Force will realize an approximate 1,500 manpower space end-strength reduction (800 military and 700 civilian spaces)."

"Cost expended for support

headquarters activities will also be reduced by 19 million per year.

"Career and career-conditional personnel adversely affected by this action will be afforded full advantage of the Department of Defense program for the stability of civilian employment."

Probation for 2 in arson case

Bobby Gene Hinson Jr., 17, and Donald M. Williams, 19, both of 2301 Nameoki Road, have been sentenced by Circuit Judge Moses W. Harrison to serve three years of probation in connection with the alleged burning of a vacant two-story frame home at 1857 Edwardsville Road, Madison, Jan. 28.

Hinson pleaded guilty April 11 to arson and was sentenced to serve the first two months of his sentence in the Madison County jail with the remainder on probation.

Williams pleaded guilty to conspiracy to commit arson and was sentenced to serve the probation term.

various posts, the commander added.

Mitkos said, "This observance is intended to preserve the memory of all our fallen soldiers who died in the United States war."

"We extend a welcome to everyone in the Quad-Cities to attend our memorial service," Boy and Girl Scouts will carry folded casket flags to the park, where the flag will be raised and will remain through the day. There will be a nameplate on each flagpost, the commander said.

Any resident who has a flag of a deceased veteran to be carried in the parade may bring it and the veteran's name to the DAV Hall no later than Friday.

Mitchell crash

Cardell Burnett, 23, of 2028 Illinois Ave., and Ronney Robinson, St. Louis, were injured when their vehicles collided on East Chain of Rocks Road one mile west of Route 111 at 7:55 a.m. Tuesday. Burnett was charged with failure to reduce speed to avoid an accident.

At St. Elizabeth Hospital, he was treated for a bruise to his left knee and a bump to his head, which struck the steering wheel of his car. He was released after x-rays were taken. Robinson suffered minor injuries.

FINED FOR CONDUCT
Robert W. Hagnauer, 18, of 2531 Iowa St., has been fined \$75 by Associate Judge A. A. Matocian on a misdemeanor charge of disorderly conduct. It was alleged that, when questioned near a store on Collingwood Road, he ran from a deputy sheriff.

Council adjourns

By GARY SCHNEIDER
Press-Record Staff Writer

In one of the shortest and most unusual Granite City council meetings in recent years, the council adjourned Tuesday night after 52 minutes without approving the city's payroll, bills, treasurer's bond or other business.

Newly-elected First Ward Alderman Charles R. Douglas repeated his objection that the council's Ordinance 335 prohibits any business from being conducted at the fourth-meeting of the month.

Douglas has cited the ordinance in contending that action changing the post of street superintendent from elected to appointed lacked legality since it was done at the fourth-Tuesday meeting of last month.

Despite a difference of opinion between Douglas, who is an attorney, and City Attorney George Filicoff on the legality of conducting business on the fourth Tuesday, Mayor Paul Schuler responded, "Okay, Charlie, I will entertain a motion to adjourn."

Sixth Ward Alderman Gerald "Jerry" Parmley strongly objected, holding up a handful of bills, payroll documents and other matters he said should be approved by the council before adjourning.

"Before you decide to start playing lawyers, the Finance Committee here has the bond for the treasurer so he can get the books in the last 15 days. We have the payroll and we have to pay bills," Parmley said.

Filicoff responded, "It is not a matter of business, it is a matter of law. The council is following the law," he contended.

Filicoff disagreed, saying, "Rule 2208 says the order of business may be suspended at any time by a vote of the majority of the alderman."

Newly-elected Seventh Ward Alderman Paul Ray Bowler said he feels the aldermen were elected to conduct the business of the city and that it takes longer for us to complete the business of the city, then that we can wait.

Filicoff suggested, "I want to go to ahead with the regular order of business and if anyone wants to sue us, let them go to court."

Alderman Warren Decatur of the Fourth Ward said he believes the ordinance men and former employee voicing objections on television of alleged harassment and suspicious activities by some members of the sheriff's staff.

Baetz said he was disturbed and added, "I think anyone who would come in and get up and hurls allegations at the council."

"I don't feel there is any substitution of the law," a disgruntled employee who was trying to pressure the sheriff into giving him some special assignment, he said. "I would not buy it. Now he is trying to get back at the sheriff through public ridicule."

The former deputy left a Mampover assignment with the sheriff's department months ago to take another job, but was back meeting with Maerz two weeks ago seeking a job, Baetz contended.

"The sheriff did not put him on and he's mad about it," Baetz said. "If our department is so bad, why would he want to rejoin it?"

and it's caused by some reason. Evidence is the probe that's going on."

Condon concluded, "These deputies say they know the federal government has enough evidence."

Channel Five asked Gary Finney, an assistant U.S. attorney, about the case. He's been working on it. He could only quote the Justice Department directive that they are not allowed to confirm even that there is an investigation under way.

On KMOX-TV last night, Betsy Bruce of the news staff said, "FBI agents have been working on the case for about a year. Sources tell us there is enough evidence."

Gary Honmyer, a former-deputy, saying he knows of three threats, added, "In my opinion, there is not enough things were right. I think it's about the time the people knew what was going on."

Conrad "Pete" Baetz, administrative assistant to the sheriff, said on Channel Four, "I've been aware of these allegations for some time. Other agencies have already checked them out, besides our department, and they have never found any evidence to support them. There was a state investigation approximately a year ago and they failed to find any supportive evidence."

Attempts to reach Sheriff John Maerz this morning were unsuccessful as aides said he was "out of town."

Conrad "Pete" Baetz, administrative assistant to the sheriff, said Maerz is "greatly disturbed" about allegations leveled last night by Channel Five and Channel Four.

Baetz acknowledged the FBI and IRS are investigating allegations about the sheriff's department, and said the FBI "has a policy of initiating an investigation into any allegation against any police agency."

About the reported Internal Revenue Service involvement, Baetz said, "They are notorious for that type of thing. They harass people for a living."

Commenting on Sheriff Maerz's feelings, a deputy said Maerz is "greatly disturbed" about allegations leveled last night by Channel Five and Channel Four.

deputies' wishes. He estimates that the former deputy association grows as much as \$80,000 a year from solicitations for its annual dance and for charity baskets.

Billing practices may have become confused with those of the sheriff's office, some staff members believe.

Part of the current concern relates to a handwritten letter in which a member of the sheriff's staff makes allegations about occurrences in the county.

It is related that some staff members kept others under surveillance, noting their travel and recording times, dates and places. When this became known, there were reprisals against the observers, the letter says.

The letter voices criticism of the association in which the deputy association conducted its public dances, selling tickets and advertisements in large numbers.

One of the times when there was friction in the department was in the winter of 1975-76 and there was another flareup in early 1975 and still another several months ago, sheriff staff members have said.

Promotions and reassignments are said to have occurred at unexpected times.

While there are some sheriff staff members who feel that current probes are unjustified, others wish that the investigators would go away, others welcome the federal involvement and are glad that it makes further progress than in the past.

The latter group, impatient for results from one or more of the investigations, occasionally has become apprehensive that excessive delay could end in no action at all.

Speculation has arisen from the fact that the federal attorney position in this district, the Southern Illinois District based in Springfield, remains vacant.

Review's action, the 1976 tax bills will represent a fairer distribution of the property tax burden among Madison County taxpayers, Castle said. He commented:

"Assessing officials do not determine the total amount of taxes. Only taxing districts control the total tax burden through the amount of their spending."

The job of assessing officials is to ensure that assessments are as just and equitable as possible, so that the tax burden is distributed fairly and that each taxpayer contributes only his fair share.

The Madison County Board of Review's 1976 equalization action represented a positive step in this direction."

WHAT'S YOUR RACQUET?

You'll be better at it with

1. The tennis rage shows no sign of abating, and Zimm Zamm is one of the best ways to practice for tennis (or any other paddleball sport).
2. Zimm Zamm can not only be used for serious practice, but it can be a fun game for the whole family as well.
3. All ages can play Zimm Zamm. It can be a game (or practice session) for two, or one person can play it alone, just as effectively.
4. Zimm Zamm can be played, using your own tennis racquet to improve your strokes and your timing.
5. Zimm Zamm does not take up a lot of room. It can be played any time, anywhere. With Zimm Zamm, there's no waiting for a tennis court availability... no searching for a partner.
6. Zimm Zamm is great fun, good exercise, and it will last for years, with proper use.

19th AND CLEVELAND - DOWNTOWN GRANITE

41 graduate from Venice 8th grade

Forty-one students were awarded diplomas at the Venice Grade School graduation ceremonies on Wednesday afternoon.

The welcome was given by the class salutatorian, Adrienne Pumphrey, and the farewell address was by the class valedictorian, Paula Walker.

The Rev. Charles C. Waters of the Canaan Galilee Baptist Church, Madison, gave the invocation and the benediction.

Vocal numbers were presented by the class and a marimba duet was played by Kenneth Wise and Jason Merchant.

Mrs. Anna McKinney, principal, presented American Legion good citizenship awards to Adrienne Pumphrey and Walter Bodie.

The diplomas were presented by Supt. Robert N. Vickers to: Paula Walker, Adrienne Pumphrey, Mark Arrigo, Raymond Barbee, Terri Barbee, Lisa Bell, Vincent Bell, Jerry Bennett, Walter Bodie, Lorraine Brimmage, Harvey Brown, Pietra Butler, Marie Carter, James Cox, Lunita Cummings, Scott Dewitt.

The diplomas were presented by Supt. Robert N. Vickers to: Paula Walker, Adrienne Pumphrey, Mark Arrigo, Raymond Barbee, Terri Barbee, Lisa Bell, Vincent Bell, Jerry Bennett, Walter Bodie, Lorraine Brimmage, Harvey Brown, Pietra Butler, Marie Carter, James Cox, Lunita Cummings, Scott Dewitt.

The program was planned by the following teachers: Clarence Hand, Miss June McClain, Miss Margaret McGarran, Dr. Alice Purdes, Miss Peresia Dandridge, Mrs. Helen Purke, Mrs. Nina Reeves, Miss Barbara Bailey and Donald Mancell.

Rehearsals will start Thursday, June 2, for the "Music Under the Stars" summer series of concerts in Wilson Park. Mrs. Mary Ann Bright, director, announced today.

Anyone with a desire to sing is welcome to join either the children's or adult chorus. Mrs. Bright said. No audition is necessary.

The children's chorus, consisting of youngsters in the eighth grade and under, will rehearse from 1 to 2 p.m. every Monday and Thursday in the

adult room at Granite City High School South, starting June 2. Adults and high school age youths will hold practice sessions from 7 to 9 p.m. on Mondays and Thursdays, also in the South High-vocal room, beginning June 2.

Four concerts will be presented in June and July under sponsorship of the Granite City Park District. Mrs. Bright said. The initial performance is scheduled for June 14.

\$15 TAKEN FROM PURSE — Mrs. Pearl Morgan, 2122 Iowa St., said during the weekend she was in the backyard when someone cut a screen door, entered her house and took \$15 from a purse.

Gifts were presented to Mrs. Linda Weible and Mrs. Linda Vaughn, on behalf of the club. The meeting was conducted by Mrs. Pat Aleman, president. Mrs. Wanda Hill gave a project report on the organization's social and charity events.

Plans were finalized for a dinner meeting to be held in June at the Marriott Hotel, St. Louis.

Homemakers receive attendance award

The Venice-Madison Unit of Madison County Homemakers Extension Association received a gold cup for the largest attendance at the semi-annual meeting of the Southwest District of Madison County Homemakers.

Chairman Norma McCormick was in charge of the meeting held at Hope Lutheran Church, last week.

New officers elected during the session included Mrs. Bea Rittenhouse, vice-chairman and Mrs. Marie Dumas, treasurer. They were installed by Leora Howlett.

After the business session 26 members and guests went to the Plantation Dinner Theater, for a social evening.

\$125 CASH TAKEN — Sometime since May 14, Judy Stroup, 1720B Kennedy Drive, Madison, said \$125 cash inside a bank book was stolen from her home.

St. Gregory's former pastor feted

The Rev. Goran Shrikian, former pastor of St. Gregory the Illuminator Armenian Apostolic Church of Granite City, was honored last week at a dinner party here.

The affair was hosted in St. Gregory's Church hall by Mr. and Mrs. Kourken Shrikian of Granite City and the Rev. Khoren Habeshian, pastor of St. Gregory's, and Mrs. Habeshian.

The Rev. Dr. Goran Shrikian received his doctor of theology degree last week from Semtex Lutheran Theological Institute in St. Louis.

Semtex (Seminary in Exile) formerly was part of Concordia Lutheran Seminary, St. Louis. Commencement exercises were held at Washington University.

Dr. Shrikian was accompanied here by his wife, Arpin, and their children, Ani, Drouhi and Moses, from Dearborn Heights, Mich. He is pastor of St. Sarkis Church in Dearborn.

Other special guests were the honoree's parents, the Rev. and Mrs. Movses Shrikian of San Francisco, Calif.; his brother-

in-law and sister, Mr. and Mrs. George (Hermine) Tashjian of Worcester; and the Rev. Dr. John Groh of Semtex and Mrs. Groh.

Andrew Hagopian served as master-of-ceremonies following the dinner hour and extended congratulations to the Rev. Dr. Shrikian upon his achievements.

Hagopian also acknowledged many telegrams received by the guest of honor.

Congratulatory remarks were offered by the Rev. Habeshian, the Rev. Movses Shrikian and the Rev. Dr. Groh, who was Dr. Shrikian's professor and advisor at college and is a personal friend.

In response, the honoree spoke of his first assignment as a minister at St. Gregory's in Granite City and said the education he has received was "much needed to cope with" his work.

"It was with a great deal of encouragement from everyone that I decided to further my education," he said.

Dr. Shrikian also expressed his appreciation to the host couples for affording him an opportunity to meet with his former parishioners again.

Tri-Cities Secretaries host awards meeting

The Tri-Cities Chapter of The National Secretaries Association (International) held its May dinner meeting at Charlie's Restaurant in Granite City. The Future Secretaries Associations of Granite City High School North and South and Breeze Central High School in Breeze joined the group for dinner, followed by presentation of awards to the outstanding junior and senior members of these groups.

Chairman, Charlie Vonovic, CPS, chairman of the FSA Committee of the Tri-Cities Chapter, was master of ceremonies.

The \$25 scholarship award for the outstanding senior FSA member from Granite City High School North was presented to Mary Winfield by Mrs. Judy Sparks, faculty advisor.

Winner at Granite City High School South was Elaine Goetting; Faculty Advisor Mrs. Pat Stamps presented this award. Outstanding junior members from North and South received a gold charm bracelet with the FSA emblem; juniors are Elizabeth Rogenski and Alice Kovacs, presented by Mrs. Sparks and Mrs. Stamps, respectively.

The Breeze Central FSA senior winner was Kim Holzhauer; and Joyce Savich, FSA co-chairman of the Tri-Cities Chapter, presented the \$25 scholarship award. Connie Lager, Breeze Central faculty advisor, presented the FSA junior award bracelet to Terry Schrage.

During the program, FSA members related their experiences gained on the way they spent in an office in the Metro-East or St. Louis area observing secretaries at work during Secretary's Week in April.

President Gail Foley, presented certificates to Tri-Cities Chapter members Jane Davis and Charlie Vonovic, CPS, in celebration of their 15th anniversaries in NSA. Miss Davis and Mrs. Vonovic are the only remaining charter members of the chapter.

President Foley then acknowledged Twila Edmonds and Joyce Savich with certificates recognizing three years' perfect attendance at the NSA monthly dinner meetings.

Following the FSA program, President Gail Foley, CPS, called the official business meeting to order and reports were given.

Twila Edmonds, Illinois Division annual meeting coordinator, reported that plans were being finalized for the annual meeting at the Breckenridge Hotel in Frontenac, Mo.

YMCA Seniors plan excursions

The Senior Citizens of the YMCA discussed several events at a meeting held last weekend, following a noon pot-luck dinner at the "Y."

Tentative arrangements were discussed for a trip to Jamestown and plans were finalized for a visit to the Senior Festival in Belleville this week.

Also discussed was a trip to Ramsey, Ill., on June 10.

Mrs. Lucille Pierce, president, was in charge of the meeting and awarded the afternoon prize to Mac Findley.

Sixty-one members attended the luncheon meeting, it was noted.

A business meeting is set for Friday, the president announced.

PURSE TAKEN AT HOME

A suede purse, containing about \$18, was stolen from the home of Mrs. Irene Paulette, 2001 Edvarda St., when an intruder entered the house and opened closet doors and dresser drawers while she was in the front yard during the weekend.

Leadnote, on the tour.

Hinsdale eyes 11th state tennis title

Defending champion Hinsdale (Central) heads the field of 39 schools advancing full teams to this weekend's annual Illinois High School Association (IHSA) boys' state final tennis tournament, to be conducted on the courts of District No. 214 in the Arlington Heights area in the Chicago suburbs. Granite City (South) is among the 29.

The three-day competition will get under way today at 4 p.m. with two rounds in both singles and doubles. On Friday, play will continue through quarterfinals in the championship bracket and two rounds in the consolation bracket.

Semifinals will be conducted in the championship bracket at 9 a.m. Saturday. Finals are scheduled for 1 p.m. Saturday on the courts west of Arlington High School.

The Central Red Devils, seeking an unprecedented 11th title, may face a strong challenge from Winnetka (New Trier East), which was edged by Coach Jay Kramer's team by 2-3 points last spring (21-18), and from Oak Park-River Forest.

Joining these teams in the chase for team honors will be Arlington Hts. (Forest View), Arlington Hts. (Arlington), Aurora (West), Barrington, Belleville (West), Bloomington (High), Country Club Hills (Hillcrest), Channahon, Calumet City (T.R. North), Crystal Lake (Chicago), Marist, Chicago (Kenwood).

Crete-Monee, Danville (H.S.), Decatur (MacArthur), Des Plaines (Maine West), Elgin (H.S.), Elmhurst (York), Gelyndon (Pope County), Glen Ellyn (Glenbard West), Granite City (South), Homewood-Flossmoor, Highland (H.S.), Highland Park, Joliet (Catholic), Kankakee (Eastridge), Libertyville, Oak Park-River Forest.

Oleary (East Richland), Ottawa (H.S.), Park Ridge (Maine East), Peoria (Bergan), Quincy (Sr.), Rock Island (H.S.), Roselle (Lake Park), Springfield (H.S.), Sterling (H.S.) and Wheaton (North).

Besides New Trier East, other schools which could challenge for high finish include Oak Park-River Forest, Aurora (West) and Arlington Hts. (Forest View), in the view of IHSA officials.

Seven of the top eight singles players from last year are back, headed by Matt Horowitz of Highland Park, who beat Ted Staren of Hinsdale (Central) last spring for the title by 6-2, 6-4.

Staren returns, as do Bruce Brescia of Oak Park-River Forest, Craig Yingst of Libertyville and Paul Wei of Arlington Hts. (Arlington). There will be a total of 119 singles players in the state competition and 114 doubles teams.

Girls' softball meeting

The Granite City Park District will hold a girls' softball organizational meeting Thursday, June 2, in the Namekiki Recreation Center, Ames and Franklin Avenues.

The meeting will start at 7:30 p.m. for girls, aged 9-12, in

Announcing a remarkable new air conditioner that runs on up to 25% less electricity than previous models:

The Bryant Quietline Deluxe

It's the most efficient air conditioner Bryant has ever built. And the quietest and most reliable, too. There's more insulation in the cabinet. A heavy duty compressor that's both isolated and insulated. An energy saving two speed condenser fan. Plus special devices to protect the unit from unusual changes in temperature, pressure and voltage.

As you might expect, the Quietline Deluxe costs a little more initially than ordinary air conditioners. But with savings of up to 25% in operating efficiency, in the long run it'll cost you a lot less.

Call today for a free, no obligation installation estimate on the remarkable new Bryant Quietline Deluxe - the air conditioner designed especially for the times we're living in.

Eyes will be on MHS quarter-milers in state's biggest track meet in history

The largest contingent of competitors in history will invade Charleston and O'Brien Stadium Friday and Saturday when the Illinois High School Association conducts its 83rd boys' state track meet.

A total of 1,600 athletes from 422 schools will compete in the association's third track edition conducted under the two-class format.

Defending champion East St. Louis (Sr.) and surprising North Chicago are rated the odds to beat for team honors in Class AA, for schools with enrollments of 751 or more.

There are 982 athletes from 220 schools - including GCHS North and South - scheduled to compete in the big school season of the competition. Perennial small school power Maple Park (Kaneland), led by standout Mark Claypool, is rated as a solid contender for Class A honors, for schools with enrollments of 750 or less. Other challengers include Roscoe-Benson and Peru (St. Bede). There will be 626 athletes from 202 schools competing in Class A, including Madison.

Preliminaries in all events but the two-mile run will be conducted Friday, beginning at 9 a.m. Finals in each event will be held Saturday, beginning with the field events for Class A at 9 a.m., field events in Class AA at

10:30 a.m. and running events in both classes at 12:15.

In the running events, the Class A race will precede the Class AA races.

Tickets for each day, priced at \$2, will go on sale at O'Brien Stadium ticket booths beginning approximately one hour before the start of competition each day.

Scoring in the finals this year will be through eight places, an increase of three places over recent years. The scoring, from a first through eighth, will be: 10-8-6-4-3-2-1.

The only defending individual champion returning in Class A is hurdler Brent Barth of Peru (St. Bede). Barth posted the first through eighth, will be: 10-8-6-4-3-2-1.

Kaneland's Claypool qualified in four events and might be strong enough himself to give his team its second title in three years. Claypool qualified at 10.2 in the 100-yard dash (13th best), at 22.6 in the 200-yard dash (6th best), at 38.3 in the 400-yard dash (best in the districts) and at 21.5 in the long jump (5th best).

Two individual champions return in Class AA and both may be hard-pressed to repeat. Bob Cervinka of Downers Grove (North) recorded a mark of 6-6 in the high jump, but he and maybe the rest of the nation may be forced to watch junior Gail Olson of Sycamore in his attempts to establish a national prep mark.

Olson, who has done 7-4 this season, went 7-2 in the district. Two-miler Tom Graves of Orchard Park (Sandburg) posted the fifth-best mark of 9:20.7 in the district, and will have to work hard to repeat in the meet's longest race.

Enrollment-related events in both sprint classes are expected to produce some close competition. In Class AA, Stan Davis of Lincoln, Ill., posted a 9.5 in the 100 in the district and a 21.1 in the 220-dash.

The key to the success of North Chicago will be how well Charles Fringers and Walter Tate fare in both short races, in

which the two race among the top 10 from the districts. North Chicago's Nate Lundy is a contender in both hurdle events.

Davis' time in the 220 was equal to the existing state meet record, Olson's mark in the high jump is better than the state mark and the district best of 18-6 by Pat McCulla of Quincy (Sr.) is better than the existing state record.

Dave Ayoub of Peoria (H.S.) posted a 1:50.9 to lead the half-mile and his effort is only a second off the state mark set last year. Tyrone Williams of Chicago (Lane) recorded a time of 36.8 in the 330-yard low hurdles to

lead coming from the districts, and that time is only eight-tenths off the state mark.

Paul Major of Hoffman Estates (H.S.) recorded a 15-0 in the pole vault to lead from the districts. That height is only 1 1/2 inches short of the state record. District "bests" show Madison High of Class A fifth best at 44.3 seconds in the quarter-mile relay (43.5 best) and Trojan Ernest Davenport second fastest at 50.5 in the individual 440-yard dash.

A sophomore, Davenport did better in last weekend's district quarter-mile competition than anyone except Maple Park's Mark Claypool, 49.8.

MIKE MARTINEZ

Linhart most valuable, Martinez leader at bat

All-purpose infielder Greg Linhart and pitching mainstay Mark Huber and Jim Olivieri tied for most valuable players honors in baseball at Illinois State University (Bloomington-Normal) this spring.

Olivieri is a senior from Chicago Heights (Bloom Township). Huber (Havana) and Linhart (Granite City South) are both juniors.

Huber led the pitching staff with a 1.36 earned run average while posting a 6-6 record in the combined fall and spring seasons. Olivieri, who missed the fall campaign because of football, had a 3-2 mark this spring with a 1.91 earned run average.

Linhart, a two-year regular at second base, also played shortstop and first base this season for the injury-riddled Redbirds and hit a strong .270.

He led the squad in batting the previous year with a .342 mark. It is believed to be the first time that three players have tied in the voting for MVP honors, according to Coach Duffy Bass, ISU's head coach for 14 seasons and a former Redbird player himself.

Linhart was succeeded as the team's batting leader by a former Granite City South teammate, outfielder Mike Martinez, Martinez, a junior,

college transfer, hit .316 and was the only ISU regular over the .300 mark.

Junior outfielder Jeff Gowan of St. Louis (Riverview Gardens) ranked second in hitting at .291 with Captain Barry Molencupp, senior from Loves Park (Harlem), third at .286. ISU hit only .248 as a team, a contributing factor in the squad's 25-25-1 record - only the fourth losing season in Bass's 14 years.

Strong pitching kept the Redbirds close, but they lost 12 of 16 one-run decisions.

"Pitching is supposed to be the name of the game," Bass commented, "but when you get down to it, you have to have pitching with timely hitting. That's when you can say you put it together. We didn't do that."

Olivieri is the only senior starter on the pitching staff. In addition to Huber, other underclass standouts include sophomore Tim Miller (.66, 2.13) of New Lenox (Lincoln Way) and junior Curt Andersen (.63, 2.93) of Deerfield. Bass is excited about their potential.

Catcher-first baseman Tom Wieghaus, a sophomore from Park Forest (Rich East), received the Ward Trophy for leading the Redbirds in runs batted in with 17.

All-American honors for Rusick, teammates

The University of California at Irvine won the national NCAA division II tennis championship team title during the weekend, but the sensations of the tournament were Coach Kent DeMars' Southern Illinois University at Edwardsville team in general and Juan Farrow and Arjun Fernando in particular.

The Cougars finished second in the tournament, but Farrow sprang up as the singles crown. The former St. Louis Summer High star, now an SIUE freshman, defeated Carl Stalder of the U. of Cal-Irvine, the meet's No. 3 seed 1-6, 7-6, 6-3. Just the week before in a dual meet, Stalder had turned back Farrow 7-5, 6-2.

In the doubles championship match, Farrow and his partner, Fernando, appearing just slightly off their game, lost to Irvine's Stalder and Jeff Williams 6-3, 3-6, 6-3, 6-2. The Irvine duo had beaten USC and UCLA twice this season.

Taking first team honors in the meet was Irvine with 20 points. SIUE was second with 16.

The defending champion Hampton Institute of Virginia, with St. Louisian Bob Fowser in a mainstay, finished third with 12 points, Florida Tech took

fourth and host U. of San Diego was fifth.

SIUE finished the season with a sparkling 18-8 record, one loss being to the No. 1-ranked NCAA division I powerhouse, UCLA. Farrow finished with a 18-5 mark.

Fernando closed out with a 21-2 record. Kent Smith, slowed by a shoulder injury, posted a 15-8 mark. Brian Miller closed out with a 20-3 mark.

Other Cougars' records were: Eduardo Almeida, 16-4; Bill Ruck, 20-5; and Randy Houston, 9-3.

Farrow's winning of the national title was a first for a freshman. Three have done it in division I: Jimmy Connors and Billy Martin at UCLA, and Bill Scanlon at Trinity U. last year.

The NCAA division II tennis tourney is the oldest in America college competition - 102 years.

Farrow, Fernando, Rusick and Smith were named to the Division II all-American team.

Youthful Glen Carbon to open Legion season

A young and potentially strong baseball team has been formed by the Glen Carbon American Legion, utilizing Granite City High School North and Roxana area athletes.

Competition in the Legion 22nd District league will start Sunday at the Mitchell diamond with a 2 p.m. game against Collinsville.

On Monday, Memorial Day, Glen Carbon will host Mascoutah for a 2 p.m. contest at Mitchell.

And on Thursday, June 2, at 6 p.m., the Glen Carbon Legionnaires will entertain the Alton Legion at Wilson Park.

Art Jovi is manager and Cecil Hampton is coach. Defensive strength "up the middle" is expected to be a major strength of this year's Glen Carbon team.

Filling those positions will be Catcher Jodi Fallon, Second Baseman Rod Mauser, Shortstop Bob Batey and Centerfielder Vic Graham.

Powerful pitching performances are expected this summer from such talent as Terry Page, Jeff Hamilton, Kevin Ragan, Mike Hubbard and David Wood. Page also will see duty at first base.

Heavy hitters include Rich Schmidt, third baseman, Catcher Fallon and Kevin Hayes, rightfielder, or designated hitter.

Jeff Fields is expected to see duty as leftfielder. Dick Awaft catching, Mike Simpson first base or designated hitter, Joey Fallon at second base and Larry Baine in right field.

Memorial run on Saturday

A new memorial run will be added to Rick Rose's runs for cancer Saturday when the long distance runner strides through Madison.

Rose will run on Madison Avenue between Second Street and the railroad tracks near 14th Street to help the 1977 cancer crusade.

The new run will be in honor of Mrs. Connie York, who lost a son, Tommy, to cancer, Rose said. He will be accompanied by Don Maher and Sam Nesbitt.

Persons seeing Rose along the route are being invited to make a contribution to the Madison County Unit of the American Cancer Society.

On Saturday, June 4, Rose will continue for the third year his annual practice of running in the Fay Bosworth Memorial Run, with proceeds also going to the Cancer Society.

Mrs. Bosworth died of cancer and when Rose returned to Granite City from the army in 1975 he started the run as a memorial to her.

The June 4 run will take place between 28th Street and Madison Avenue and the 2200 block of Madison Avenue.

The first run for cancer by Rose saw him going up and down the streets of Madison for 44.1 miles in 80-degree weather.

Last year, he extended the run to 51 miles.

Also in 1976, Rose made his first world record-breaking run, topping an achievement previously held by a South African by running 100 miles in 11 hours, 27 minutes and 58 seconds.

Rose will attempt to break a world record run of 131.1 miles on June 16, with an alternate date of June 20 set should the weather prove unsuitable.

The Granite City will enroll in September at Southern Illinois University at Edwardsville to work under the track coach there.

INTER-CITY LEAGUE ACTION between Mercer Mortuary and Mitchell Athletic Club, at the Mitchell diamond this week. In the first-inning pickoff attempt at first base, Mitchell hurler Tony Stajduhar throws to infielder Hector Sanabria. Mercer's Pat Peterson (right) returns safely.

Key Inter-City contests Sunday

While Mercer Mortuary and Music Room Vans battle it out on area diamonds Sunday for the top rung on the Illinois Inter-City Baseball League ladder, two Quad-City squads, Bob Thomas Memorial Mortuary and J&J Liquors, will clash at Fletcher Field on the Greenwood campus of Collinsville High School.

Sunday's doubleheaders, all starting at 1 p.m., send Mitchell Athletic Club to Panama, Highland-Pierson to the Vans at East Alton's VanPreter Park, and East Alton Brewers to meet Mercer at Wilson Park diamond one.

Merced and Vans are attempting to snap a 7-1 first-place deadlock, while Thomas has hopes of improving its 3-3 mark.

J&J seeks to climb into the win column for the first time this season after eight losses.

"We are trying to get a winning effort going," says J&J Manager-Player Jim Cromer. "Everyone is hitting the ball, but it just isn't falling in between fielders for runs."

Cromer notes that fielding errors have been one of the team's problems: "We committed 10 earlier this week against Highland."

He said the team is still in a building stage, cutting some players from the roster and adding new athletes.

"We just signed John Stanton as a pitcher."

John was injured in an auto accident about a year ago, and has just recently fully recovered.

Cromer has high praise for pitchers Kevin O'Shea and Daris Davis.

"They have been doing their job. We just need to back their efforts with more solid hitting and less fielding errors."

Mark Wells of Madison heads the list of batters with a .428 average, followed by Rich Dickerson's .400 and Richard Schmidt's .307.

The Thomas squad has lost one hurler due to injuries and has acquired former GCHS North player Gene Logas, who is home for the summer from college.

Regular starter Stan Hale suffered a broken jaw this week when he was struck by a ball while attempting to score against Highland-Pierson.

Thomas Manager-Player Jim Bravley reports that three other hurlers are also capable of stepping into Hale's shoes — Don Rains, Ken Crawford and Bob Wiggins.

Crawford has a .1 record, as does reliever Mike Waldo. Wiggins has seen action for only a couple of innings thus far.

"Last year as rookies," notes Bravley, "we had a limited number of players who could really hit the ball and our catching behind the plate wasn't up to par."

This season, he reports, "we've got a whole lineup of guys who can hit the ball, and with Bob Shipley wearing the catcher's mask, we've filled a 'big gap.'"

Shipley was a member of the league-champion Mercer squad in 1976.

Nipping at the heels of Mercer and Vans for the top spot in the standings is the Mitchell club with a 6-2 record.

Highland is even at 4-4, the Brewers are 3-5 and Panama is 0-6.

A transfer student from St. Louis' Southwest High School, Woodson has earned varsity letters in football and baseball.

While attending the St. Louis school, he took part in home classes for outstanding students.

At Madison High, Woodson belonged to the National Honor Society and was elected by his senior class to represent it on the student council.

3 GC athletes in state meet

Three Granite City athletes are among those seeking statewide honors when the 83rd annual Illinois High School Association boys' track field meet begins tomorrow on the Tartan track of O'Brien Field on the campus of Eastern Illinois University, Charleston.

GCHS South's Jay Huebner and GCHS North's Jim Shermwell will attempt to top other Class AA athletes in the shot put event during preliminary competition starting at 9 a.m. tomorrow, with hopes of advancement into Saturday's finals at 10:30 a.m.

Mike Baker of North High will have to wait until Saturday's heat races to make his bid for a spot in the two-mile run final, set for 12:15 p.m.

Warrior Huebner, a junior, advanced into state competition with a third-place finish at a distance of 53 feet, 11 1/2 inches.

Steele Shermwell qualified for a berth at Charleston in the same district meet, finishing first with a distance of 59-6 1/2.

Both surpassed the state-required mark of 52 feet to advance.

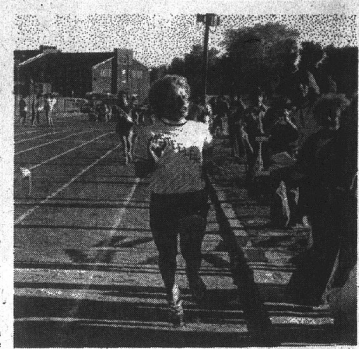

Steele Baker is no stranger to Charleston, having placed third there in 1976 in the two-mile run as a sophomore.

He ran the event in 9:47 and took second place at Highland this year.

With the state qualifying time set before district competition at nine minutes, 38 seconds, Baker has bettered that time on three different occasions this year — 9:32.4 in winning the annual Madison County multi-school meet held here.

Thus far, the best distance ever achieved during shot put competition under IHSAA sanction was 62-2 1/2, attained in 1970 by Tom Stock of Belleville West High School.

Lebanon's Craig Virgin holds the state record in the two-mile run, 8:42 set in 1973.

PRIDE OF THE STEELERS. GCHS North's Mike Baker, a junior, will make a second attempt in as many seasons to capture top honors in the two-mile run during the 83rd annual boys' state track meet. Last year, Baker placed 43rd in the state meet and this season he has finished the run in times of 9:32, 9:34, 9:35.4 and 9:47, the latter good for runnerup honors in last weekend's district meet at Highland. He is shown here enroute to victory in the 1977 Madison County Meet. (Press-Record Photo)

TWISTED METAL was evident Saturday night at Tri-City Speedway after strong winds dried out the half-mile dirt oval, making for a slick racing surface for the

late model division stock cars and resulting in scenes as this multi-car pileup on the track's second turn.

TROJAN RELAY SQUAD. Three of these Madison High School athletes will join forces with Earnest Davenport (not shown) tomorrow in 440-yard relay competition at Charleston in hopes of gaining top state honors there. Sylvester Collins, second from left, James Heard, third from left, and Marcus White, fourth from left, advanced

to the state meet with a first-place finish in the Red Bud district in which Davenport ran the third leg. Duane Bochantin, far left, also will compete in the state finals, along with Heard, Davenport and Mike Bartley (not shown) in the mile relay after taking runnerup district honors.

Close rivalry at track

A tight three-way battle for the lead in Gateway Auto Racing Association point standings at Tri-City Speedway is being waged in the late model stock car division competition by East Alton's C.C. Corbin, and Missourians Russ Wallace and Jerry Sifford.

Corbin, who has yet to win a feature race, has 865 points with defending track champion Wallace holding down second place with 705. Sifford, winner of feature races for the past two weeks, is

third with 615. With Spalding of Pontoon Beach is close on the heels of the leaders with 585.

Competition at Tri-City will enter its fifth Saturday of the 1977 season.

Preliminary heat races are set to start at 7:30 p.m. Saturday.

Granite City drivers hold the top three positions in sportsman division standings — Dean Aerne 1,065, Jerry Zehnle 985 and Gary Barker 680.

Aerne was a track titlist in that division three years ago at Tri-City.

Post 435 loses 3-1

Glen Carbon American Legion Post 435 began the 1977 season with a 3-1 exhibition loss to Alton last night at GCHS South.

Two unearned runs in the second inning and another unearned tally in the fifth defeated starter Kevin Ragan. He issued two hits in three innings, and Mike Hubbard and Dave Wood added two-inning pitching stints.

In the third, Bob Baley drove in a Post 435 run with a two-out double. "Using only three regulars, we learned we have some good reserves," Manager Art Jovi commented.

Terry Page will pitch as Post 435 hosts Collinsville Sunday. Jeff Hamilton will hurl against Mascoutah Monday and Kevin Ragan against Alton next Thursday, June 2.

Post 113 exhibition

Tri-City American Legion Post 113 Coach Conrad "Babe" Champion reports that his baseball squad will compete Tuesday, May 31, in an exhibition contest with a Brentwood, Mo., Legion ball club at 6 p.m. on the GCHS South diamond (Fehling Road curve) before entering District 22 Legion regular league play, on Sunday, June 5 against Glen Carbon, Post 435.

Champion said the Post 113 player roster is comprised mainly of athletes who aided the team in attaining second place in last year's state finals, and who helped the GCHS South team to a 22-2 record this season.

Trojans are ready for state

Trojan track mentor Charles Steptoe views Madison High School's participation this weekend in the Illinois High School Association state finals at Eastern Illinois University, Charleston, as a possible showdown once again between Madison and Class A district champion Sparta High School. "Sparta won the 440-yard relay event" Tuesday at Carbondale in 44.3 seconds," notes Steptoe, "the same time we turned in while placing second behind Sparta in the Red Bud district meet."

Recalling the 1976 season 880-yard relay Madison team which placed third at state, Steptoe said that while this event has since been dropped, three of this year's athletes — Duane Bochantin, Marcus White, Earnest Davenport — have been instrumental in leading the 440 team to victories.

Davenport is also slated to compete at Charleston in the 440-yard dash, an event he won at the district with a time of 50.8 seconds, barely nipping a Sparta runner at the wire.

Headed for the state finals also is Madison's mile relay team of James Heard, Bochantin, Mike Bartley and Davenport. They placed second at Red Bud in 5:38.7.

"The EIU layout is similar to Red Bud's," notes Steptoe, "and I feel that this is to our advantage."

The Trojans' participation in Tuesday's "meet of champions" at Carbondale, won by Sparta with 29 points, produced some problems for the team. "Davenport developed leg cramps while traveling there and, although he hadn't fully recovered, he still anchored the 440 yard team to a sixth-place finish in 45.5 seconds."

"And White," continued the coach, "missed the meet due to a recurring illness for which he will undergo surgery after the state finals."

"The Trojans placed 11th at Carbondale in the 12-school meet, gaining one point from a fifth-place finish by Heard in the 220 dash with a time of 24 seconds."

Chester was runnerup with 22 and Pinckneyville was third with 11 points.

In the Class AA portion of the meet, Benton High School took top honors with 40 points, followed by Carbondale with 23 and Centralia and Marissa each 22.

BURGLARY ON IOWA ST.
About \$75 cash was stolen from a dresser in the home of Debra Clubb, 2905 (rear) Iowa St., this week and the house was ransacked, with a kitchen chair broken. Also taken were clothing, blankets, cosmetics, canned goods, groceries and meat. There were no signs of forced entry.

TRIPLE DUTY. Trojan Earnest Davenport will attempt to repeat his 440-yard dash district victory and also aid Madison High School's 440-yard relay team in the state track finals. Davenport sprinted the 440 in 50.8 seconds and then joined his teammates in the 440 and mile relay events, each quartet placing second.

Sharon M. McBride weds Robert George Butchko

Miss Sharon Marie McBride and Robert George Butchko were united in marriage on Sunday, May 14 at three o'clock in the afternoon at the Nativity of the Virgin Mary Church in Madison. His Grace Bishop Theodosius, Bishop of Pittsburgh and West Virginia, and Rev. Vladimir Lecko performed the sacrament of holy matrimony. Responses were sung by the church choir under

the direction of Mrs. Agnes Frynski, an aunt of the groom.

The bride is the daughter of Mr. and Mrs. Robert C. McBride, 1218 Alton Ave. Madison. Parents of the groom are Mr. and Mrs. George Butchko, Jr., 4411 Weber Road, St. Louis.

For her wedding the bride chose a pure white organza dress fashioned in an Empire silhouette. The sheer yoke was etched with pearls, and Venice lace motifs extending into the waistline. The long sleeves accented with larger lace motifs and were ruffled at the wrist. Her long skirt had appliques of Venice lace through it and the hemline was bordered with scalloped lace extending into a full sweeptrain with lace motifs through the back.

A camelot headpiece of lace and pearls was secured to a double finger-tip veil edged with lace and lace appliques. She carried a cascade bouquet of white carnations, white gladiolus, and baby's breath.

Miss Karen Butchko, sister of the groom, served as maid of honor. Mrs. Donna McBride, sister-in-law of the bride, Miss Magdalene Frynski, and Miss Deborah Popovich, cousins of the groom, were bridesmaids. They were dressed alike in pink jersey gowns designed with Queen Ann necklines, outlined with matching lace.

The lace also trimmed the sleeveless Empire bodices. They carried bouquets of pink gladiolus and baby's breath.

The flower girl, Patricia Huniak, was dressed in a pink double knit floor length gown with a pink flowered organza pinafore over it. She carried a basket of pink carnations and baby's breath.

The groom chose, Robert McBride, Jr., brother of the bride, as best man. Charles Elwert, Michael Revak, and Michael Frynski, a cousin of

the groom, were the groomsmen with Nicholas Huniak, Jr. and Peter Lecko, serving as ushers.

The mother of the bride wore a blue chiffon full length gown and the groom's mother chose a maize color chiffon full length gown. Each wore matching accessories and a corsage of white carnations.

Following the ceremony a reception was held at Croatian Home.

The bride received a Bachelor of Science Degree in Business Administration from Southern Illinois University at Edwardsville and is presently a senior accountant for World Sine Co. in Clayton. The groom received a Bachelor of Science Degree in Civil Engineering and is working toward a Masters Degree at the University of Missouri at Rolla. He is a civil engineer for St. Louis County Department of Public Works.

Community Heights revival set

Evangelist Dale Everett of Niagara Falls, N. Y., will be at the Community Heights Assembly of God Church for a two-week revival, beginning Sunday morning at 11 o'clock. The Rev. Jeffrey R. Smith, pastor, said the public is invited to attend any or all of the services. A 7 o'clock service is scheduled Sunday evening, May 29.

No program will take place Monday, May 30, due to the holidays, but Tuesday through Friday, May 31 to June 3, the services will commence at 7:30 p.m., the local pastor said.

The Rev. Everett, 31, has been active in evangelism for the past four years and has conducted revivals throughout many of the Eastern and Midwestern states.

An eloquent speaker and teacher of the Bible, the evangelist has left many testimonials of healing at churches where he has ministered. The Rev. Smith reported. Great interest has been stirred in different areas due to "miraculous healings" that have occurred, the pastor added.

Portions of the Rev. Everett's services have been filmed by television stations and viewed

on TV news programs, the Rev. Smith advised.

The youthful evangelist has ministered in many of the larger Assemblies of God churches and often the revivals have continued for several weeks.

Community Heights Assembly of God Church is located at Faith and Buxton avenues.

Glen Christy marks 90th year

Glen Christy, 1508 Kirkpatrick Homes, celebrated his 90th birthday this week at a dinner party held in his home, hosted by his wife and family.

Children of the honoree present for the day were Mr. and Mrs. Frank Castle, Princeton, Ill., Mr. and Mrs. Joe Diener, St. Louis, and Mr. and Mrs. Charles Quentin Christy of Carbondale and Mrs. Ruth Stroh of Granite City.

During the afternoon a granddaughter, Mrs. Linda Morton and her children, Jennifer and Brenda visited the guest of honor and sang a special song.

The Rev. and Mrs. Paul

Bryant of Trinity United Methodist Church and the youth class, also visited Mr. Christy and sang several songs and hymns, in his honor.

Members of the youth group were Judy Holson, Paul, Paula, Mary and David Bryant, Bill and Mary Metcalf, Hope Lee, Jennifer Herman and John Barthelmy.

THIEF TAKES \$115

Mr. and Mrs. Dickson Spicer, 2809 Denver St., received guests during an afternoon open house at their home in observance of their golden wedding anniversary.

Mr. Spicer and his wife, Lucille, were married on May 16, 1927, in Erin, Tenn.

Both are members of the West 22nd Street Baptist Church. Mr. Spicer retired in 1970 from General Steel Industries, after 30 years service in the open hearth department.

Hosting the event were the couple's son, Lindul Spicer of Manchester, Mo., and daughters, Mrs. Harvey (Mildred) Brooks of Greenville, Ill., and Mrs. Chester (Marilyn) Stafford of Granite City.

Mr. and Mrs. Spicer also have five grandchildren and two great-grandchildren.

During the afternoon affair the guests of honor received many gifts as well as flowers and telephone calls from out-of-town friends and relatives.

Chapter 247 marks Friendship Night

Mrs. Sandra Medley, chairman of Academy of Friendship, was escorted and introduced at the meeting of the Women of the Moose, Chapter 247, in observance of Academy of Friendship night.

The "golden circle" was formed to honor those who received friendship degrees in Arlington Heights, Ill., during the convention. New "friendship" members are Mary Driscoll, Sue Goodman, Diana Warnhoff, Maxine Thebeau, Doris Wilson and Bill Bagl.

They were presented with a corsage and golden ring attached, as a symbol of friendship.

New members enrolled were Edna Cantion, Margaret Dowdy, and Joann Hoffman.

Chapter Regent Vernest VonDra presided and read the state of officers to be elected at the next session.

Sixty-two members attended

and prizes were won by Ardella Darr, Maxine Barnstable and Joann Hoffman. Refreshments were served after the meeting.

LOOSE RAILROAD BOLTS. Madison Mayor Mike Sasyk (left) and City Attorney Casper Nighoghossian examine loose bolts, cracked ties and the general stability of tracks Tuesday in the area between State Street and Washington Avenue near 14th Street. (Press-Record Photo)

Railroad upsets Madison officials

Loose track bolts, worn railroad ties, problem crossing lights and worrisome safety conditions of Illinois Terminal Railroad Company tracks between 13th and 14th streets, from Washington Avenue to State Street, are upsetting Madison Mayor Mike Sasyk and members of the City Council.

"My concern is the safety of people and their property. We have had four derailments in a four-block area within the past year, damaging sidewalks and property," Sasyk charged.

"I have written, called and pleaded with the railroad and the government to get this area safe, fixed up and maintained properly."

"The railroad tells me the tracks meet the standards according to government regulations."

"The bolts are so loose our city attorney and I could unscrew them with our hands. The worn ties are unbelievable. They are not only cracked but are split in half," Sasyk lamented.

John Beirne, ITR assistant chief engineer for design and construction, said, "These meet the standards and are regularly maintained."

"They are inspected weekly and just four months ago they were inspected by a federal inspector who issued us no citations."

The mayor and council also are concerned with crossing lights at State Street.

"We have been promised flashing lights at the State Street crossing for so long it is hard to remember," Sasyk said.

"At a recent council meeting, we got a letter about the lights at State, from the Illinois Department of Transportation telling us they are scheduled to be installed I believe sometime in 1978. Our council laughed out loud when this happened. The Department of Transportation and the railroad have been promising lights for so long."

"I finally told the railroad people Tuesday I was going to the newspaper," Sasyk said. Beirne Wednesday morning told the Press-Record that the tracks are being maintained, but would not comment on flashing lights for State Street or on the roughness of the crossings.

The railroad sent a repair crew Wednesday to work on the tracks.

State Park police car is demolished

The State Park Volunteer Police Unit is out of business again, the result of a weekend accident which destroyed its only police car, it was announced during Monday night's Nameoki Town Board of Auditors meeting.

The police force, which operates under the authority of the Madison County sheriff's department, has been shut down twice before by political differences but has been operating the past year with a police car purchased through a grant from Nameoki Township. Although the volunteer police had not yet paid the county for insurance on the police car, Madison County had purchased

insurance for the auto, expecting to be reimbursed by the police unit. John Kraynak, county auditor, told the Press-Record Wednesday.

Witnesses said the police car was in pursuit of another vehicle on Black Lane and was struck from both sides by two other vehicles when it entered Route 50.

Larger Rt. 111 culverts

Culverts along the west side of Route 111 from Pontoon Road north to Georgetown Drive are being replaced under a joint program of the village of Pontoon Beach and the Illinois state highway division.

Due to excessive water from Route 111 and the railroad viaduct flooding some yards in the village, the state agreed to supply the manpower to replace existing culverts with larger ones, if the village would supply the culverts and equipment.

Work started yesterday and is expected to take about one week.

"Residents in that area can expect some inconvenience getting to their homes at times during the work, but we hope everyone will cooperate and use other entrances when necessary," Village Board President Floyd David Moss commented Wednesday.

Work started with Lakeview Drive and within the next week culverts at Victoria, Georgetown, North and South drives and Kaseberg Lane will be replaced, if weather does not hamper the work, Moss said.

RECEIVE BIDS TUESDAY

Bids from the public will be received through 3 p.m. Tuesday for the sale of a house at 54 Bermuda Lane, the second to be constructed by students in the building trades and vocational program of the Granite City schools. Arrangements to tour the home may be made by calling 677-1512.

GC council funds 10 to 12 summer jobs for students

The Granite City Council Tuesday night approved the appropriation of \$10,000 from its anti-recession fiscal assistance grant program for hiring of about 10 to 12 high school and college students under the Student Intern Program during the summer.

The action was one of the few taken by the council, which adjourned early due to a rules disagreement.

It was considered at the beginning of the meeting under correspondence as City Clerk Robert W. Stevens read a letter from Mayor Paul Schuler to the council requesting the fund appropriation.

Sixth Ward Alderman Gerald "Jerry" Parkman asked if the appropriation would be 10 times as great as last year's appropriation, and Mayor Schuler responded that it was, but primarily due to the receipt of the new fiscal assistance grant.

Charged in Information

The Madison County state's attorney's office has issued an informational document charging Robert Lee Burzatis, 4028 Gaslight Walk, Pontoon Beach, with two counts of burglary.

The document alleges that on March 12, Burzatis burglarized the Orchid Lounge on Maryville Road in Mitchell, and the auto of John Gilley, parked at Interstate 270 and Route Three in Mitchell.

Last summer, one student was hired at a total cost of \$1,000. The mayor noted the grant was given to the city to find jobs for the unemployed in the city, and using the money for the student intern program would allow 10 to 12 students to find summer work.

Schuler said approval is needed at this time "because by the time the budget is passed, the students are likely to be back to school."

The council concurred unanimously.

Department heads may submit requests for student workers for any one of many jobs in the city government.

Burglary and theft charged

William P. Turcott, 21, of 2717 Saratoga St., has been named in a two-count informational document from the Madison County state's attorney's office alleging burglary and theft.

The document alleges that on April 10 he burglarized the home of William Keith, 2716 Saratoga St., and took two rifles and a shotgun from the home.

The theft charge alleges Turcott had possession of the weapons, which were the property of William Smith. Confidential reports that someone was about to sell the weapons resulted in a stakeout at Turcott's home and he and a juvenile were arrested at the scene.

Lions mark 60th year at convention

The 60th anniversary of Lionism was marked by an Illinois state Lions convention during the weekend at the Hyatt Regency Hotel, Chicago.

Madison Lions attending were Madison Mayor Mike Sasyk, Donald Bridick, Andy Economy, Jim Riskovsky and Emmett Packer. Topics discussed at the gathering of Lionism included youth, blind and deaf activities. The birthplace of Lions International is Chicago.

Melvin Jones, a Chicago insurance man, founded the "Association of Lions Clubs" in 1917.

The first meeting was called in June at the Hotel LaSalle and, by the fall of that year, there were 22 clubs in nine states. Expanding each year, Lionism has become the world's largest service club organization with over 1,650,000 members in 49 countries. Service to the community and

assistance to the less fortunate are the objectives of the organization, with the motto, "We serve."

Lions clubs plan and carry out a variety of programs having local, national and international significance, the Madisonians report. Newly developing is the Lioness branch of Lionism as a companion service club for women interested in humanitarian programs in their communities.

DAR Chapter views historic buildings

The Drusilla Andrews Chapter of the Daughters of the American Revolution met during the weekend at Charlie's Restaurant with 13 members and one guest present.

Mrs. Janet Wilson, regent, opened the meeting and led the group in the pledge of allegiance. Mrs. Ruth McCarty read the President General's message and Miss Ella Ray Smith presented several national defense topics. One topic discussed how our national debt has risen from one billion dollars in 1900 to an estimated 727 billion dollars this year. Another topic discussed was our dependence on some of the African nations for chromium ore and a third topic on civil defense emphasized that we have only 80 million dollars in our entire country's budget for civil defense, while Russia has so much more.

It was announced by the regent that our yearbook has been awarded a first place and that the chapter met all the honor roll requirements and received the gold award for this year.

Mrs. Ruth Mitchell volunteered to be chairman of the program which will occur in early September.

Miss Patricia Sayers, of Harrisburg, presented a slide show and narration on historic old buildings and scenes in Southern Illinois. Miss Sayers will be sending the program material to the DAR Headquarters in Washington, D.C., so that the program will be available to any chapter in the United States. Miss Sayers

is the immediate past historian for the State of Illinois.

Other members in attendance were Misses Nelle Hart and Mary McCarty, and Mesdames Eva Meier, Marie Frohardt, D. Reva Turner, Margaret Belt, Madge Hansen, Helen Gantcheff, and Barbara Williams.

FIFTH BIRTHDAY

OF LEA ANN COOK
The party was given this week at 43 Moorland Drive by Mr. and Mrs. Dave Cook in honor of the fifth birthday of their daughter, Lea Ann.

A "clown" theme was used for the decorations and cake. Prizes were awarded to Heather Asbeck, Karen Reinacher and Jerrod Hester. Other guests included Mrs. Diana Hall and son, Darren, Peggy and Nikki Birkhead, Randy Barton, David Shubert, Stan Strum, Tiffany Hicks, Shelly Stodnick, Lisa and Jenny Demann, and Karl Jo Cook, the honoree's sister.

ANNOUNCE THIRD CHILD

Mr. and Mrs. David (Margot) Clemons, 57 Moorland Drive, are announcing the birth of their third child, a boy, born May 12, 1977. The new arrival weighed seven pounds, four ounces and has been named David Allen.

He has two sisters, Angela Christine, 11 years old, and Priscilla Elizabeth, six years old.

Grandparents are Mr. and Mrs. Hester Clemons of Tennessee and Mr. and Mrs. August Grebe of Germany.

Junior Girl Scout Troop 61

at a troop meeting gave a cradle shower for the new leader, Mrs. Margot Clemons. Patrol leaders worked out the details by telephone and arranged the surprise shower without help. Leaders Joyce Churchwell and Jeanne Murphy served refreshments to the girls after the opening of gifts by the honoree.

Present were Elizabeth Aldridge, Cindy Allen, Lora Churchwell, Debbie Brandt, Angela Clements, Marsha Miller, Sherry Churchwell, Lori Richardson.

Ruth Tindall, Shelly Canale, Debbie Murphy, Leslie Tindall, Hoffman, Anthony Hallett, Tracy Osburn, Nikki Smith, Cathy Murphy, Chris Shiner and Robin Andrews.

A cookout at the Mitchell Athletic Club park was discussed.

Prosper Carl was a special guest at the meeting. He reminisced about his childhood and showed newspaper clippings, photographs and catalogs. His visit helped the girls earn a part of their "my home" badges.

Birthday party at Wilson Park

An outdoor buffet supper was hosted last week in Wilson Park by Mr. and Mrs. Billy Ellis, 3516 Johnson Road, in observance of the third birthday of their son, William Travis "Billy" Ellis.

The tables and birthday cake were decorated in a "Spider Man" theme. Many gifts were received by the small honoree. Among the guests were Billy's grandmother, Mrs. Pauline Glasgow, and Brian and Nancy Ellis, Mr. and Mrs. Bobby Gafford and daughters, Carol and Donna, Ricky Costoff, Mr. and Mrs. Jack Carpenter and son, Tommy, Mr. and Mrs. Larry Ellis, Mr. and Mrs. Randy Bergfield, Mr. and Mrs. Jim Pulliam and Keith and Jamie, and Mr. and Mrs. Paul Taylor and Paule and Christy.

Brownie Troop 756 visit Missouri park

Brownie Troop 756 of St. Margaret Mary School spent their Ascension Thursday holiday at a picnic held at Sioux Passage Park in St. Louis County. The girls decorated a hiking scarf to wear on a nature walk through the woods. They roasted hot dogs and marshmallows, went on a hike along the Missouri river, and played on the frontier playgrounds.

Brownies attending were Christy York, Amy and Wendy Knollman, Missy Baggett, Margaret Boyer, Ann Zikovich, Trisha Costello, Montague DeBay, Shelly Saltich, Gina Mangiaracino, Michelle Stockton, and leaders Rose Zikovich, Donna York, Pat Knollman, and guests, Robin York, and Lara Zikovich.

Mothers Club hosts installation dinner

Newly elected officers of the Granite Mothers Club were installed in ceremonies held at the Plantation Dinner Theater with Mrs. Georgia Steward, past president, serving as the installing officer.

Those installed in a candlelight setting were Edna Kellins, president; Pat Westwood, vice-president; Joyce Cullen, secretary and Joan Woodard, treasurer.

Each officer received a long stem rose and candle used for the ceremony. After dinner the group viewed the stage show, "I'm Sorry I Can't Hear You When the Waters Running" starring Al Lewis.

Mrs. Edmonds hosts Past Noble Club

Members of the Past Noble Grand Club of Ann Rutledge Rebekah Lodge 47, met Tuesday in the home of Mrs. Karmyn Edmonds for a luncheon meeting.

During the afternoon a business session was conducted followed by pinocchio games. Those winning prizes were Clara Harbig, Marvel Clover and Irene Hendricks.

Others attending were Edna McKay, Helen Love, Carolyn Brockman and Ann Kunenmann. Mrs. McKay will host the June 28 meeting.

Lee Shop employee reunion dinner

A reunion dinner party for former employees of Lee Shop was given last week at Charlie's Restaurant by Sidney and Milton Katz.

Highlight of the evening were pictures taken during the years of various store affairs, displayed by Jessie Rucker.

Mrs. Evelyn Thompson made name tags from clothing sacks with the store name inscribed, for each of the guests.

Those attending were Mabel Lehne, Glenna Bailey, Mercedes and Phyllis Grimm, Helen Cook, Joan Mase, Katie Colligan, Pauline Squires, Faye Cruise, Magura Stevens, Dorothy Wheeler, June Stieb, Harold Brown and out of town guests, Mr. and Mrs. Arthur Talbot, Jesse Berry and Mike Sherman.

Capacity crowd at GC South follies

The Granite City High School South Spring follies held Thursday evening attracted a capacity crowd. The third-hour speech class of Ronald Pennell took first place honors with the skit "Haggar the Terrible."

The follies, a South speech department activity, followed the theme "Comic Book and Comic Strip Characters," with a cast of nearly 200 students.

"I am again very pleased at the support given this activity by the parents and friends of the cast who attended in great numbers. I am sorry some people have had to be turned away from year to year for lack of room," Pennell said.

"When you get the parents and friends of just the cast attending, the auditorium is filled and that is why we do not

extensively announce the event to the public in advance. We would have to turn away and disappoint hundreds."

"The Bugs Bunny Bong Show" presented by the first-hour class of Mrs. Ruth Klaus took second-place honors.

Third place went to the seventh-hour class of Mrs. Klaus with presentation of "The Flintstones Meet the Adams Family."

Mrs. Wendy Kambarian's second-hour class took fourth with its interpretation of "Face the Nation."

It was "Good Old Charlie Brown" coming in fifth by the second-hour class of Pennell.

The judging was done by nine speech and theater club members with 12 skits being presented.

SOUTH FOLLIES WINNERS. The third hour speech class of Ron Pennell presented "Haggar the Terrible" in the Granite City High School South Follies last week and won first place. In the front row, seated from left to right, are Yvonne Conteno, Vicki Sellers, Carol Lange, Stephanie Hetherington, Lori Pritchard, Leah Rogers and Debbie Miller. Middle row, from left,

Keith Malench, Don King, Tina Wyatt and Mignon Moerlein. Back row, standing, from the left, Stephanie Brandt, Gaylon Harris, Sandy Weathers, Ken Justus, David Heier, Bob Stegmeyer, Ted Perkins, John Findley, Mike Randall, Gary Thomason, Cathy Reznack and Agatha Grabowski.

Telephone open house June 8-9

The local area will get a close look at the Bell System June 8 and 9 as Illinois Bell Telephone opens its doors at 2107 Edison Ave. for an open house.

Scheduled from 6:30 to 9 p.m., the open house will be preceded by a "family night" for employees only on June 7.

Some of the displays featured will include a tic-tac-toe game which challenges the public to beat an "unbeatable" computer, a computer quiz complete with prizes, and a historical display which allows guests to hear their voices as they would have sounded on the equipment of a generation ago.

The equipment Quad-Cityans see along the tour route will be explained by Illinois Bell employees, who will also describe the jobs they perform to make the "One Bell System" work in this area.

"We are hoping for a good turnout since this is the first time in several years that we have opened our doors to the public," Manager Ken Evers told the Press-Record.

Refreshments will be served as part of the open house activities.

General Motors gift to Venice-Lincoln

General Motors Corporation has presented some of the latest automotive components to the Venice-Lincoln Technical Center, it was announced today.

A V-8, 350 cubic inch engine was included in the donation.

The gift was presented to the school by George S. Keellean, manager of the St. Louis General Motors Training Center.

K. Duane Rankin, director of the adult vocational-education school, accepted the gift on behalf of the Venice School District.

Many similar contributions have been made to schools to help train students in the field of auto mechanics, reflecting General Motors' continuing interest in education, Keellean said.

"Such contributions have proved to be a real value to educators in their shops, classrooms and laboratories in training qualified personnel to meet the needs of a growing automotive industry," the GM training center manager said.

In 1976, General Motors donated automotive and appliance components and other equipment to 1,322 junior and senior high schools, technical institutions and colleges — gifts valued at more than \$1 million.

In addition to the parts and tools, General Motors granted allowances, totaling \$13.4 million, to GM dealers for 37,488 new vehicles which were loaned to high school driver education programs during the 1975-76 school year.

These new vehicles amounted to 62.9 per cent of all vehicles loaned to high schools for driver training during the year, Keellean said.

MR. AND MRS. MARK HANNAH. They were united in marriage at Sacred Heart Roman Catholic Church. Formerly Miss Beverly F. Vasquez, the bride is a daughter of Mr. and Mrs. Vernon R. Vasquez, 2234 Edwards St.

Sacred Heart scene of Hannah-Vasquez wedding

Miss Beverly F. Vasquez, a daughter of Mr. and Mrs. Vernon R. Vasquez, 2234 Edwards St., and Mark S. Hannah, of St. Louis, a son of Mr. and Mrs. Charles Anderson, 2652 Pontoon Road, were united in marriage on May 7 at Sacred Heart Roman Catholic Church. Bouquets of blue, pink and yellow carnations intermingled with greenery adorned the altar for the double ring ceremony performed at 2 o'clock in the afternoon by Father James Newman.

Wedding music included "Wedding Song" and "Sunrise, Sunset." Escorted to the altar by her father, the bride wore a long white organza gown designed with a Sabrina neckline, edged with tiny French lace and long sheer sleeves accented with lace motifs.

Her semi full skirt and cathedral length train were also enhanced with lace appliques. The shoulder length veil was held in place with a lace cap and she carried a bouquet of variegated flowers in rainbow hues.

Maid of honor Miss Mindi Sigite selected a formal length blue floral print halter dress and the bridesmaids, Miss Debbie Stroud and Miss Carol Vasquez, a sister of the bride, appeared in identically designed gowns in pink and yellow, respectively.

Each held a bouquet of carnations in colors to match their attire, interspersed with red roses.

Athena Harris, a niece of the bride, served as flower girl. She was dressed in a long pink frock trimmed with rows of lace and held a wicker basket filled with pink, blue and yellow carnations.

The groom chose Randy Davis as his best man. David Hannah, a brother of the groom, Larry Harris, the bride's brother-in-law, Bob Vasquez, a

brother of the bride and Denny Joyce, the groom's brother-in-law, completed the corps of groomsmen and ushers.

Billy Conwell, a nephew of the bride, was the ringbearer. A reception was held at the Croatian Home in Madison, following the service and the rehearsal dinner was hosted in the home of the bride's parents.

The bride graduated in 1973 from Granite City High School and is employed by Peat, Marwick, Mitchell, St. Louis.

A 1974 graduate of Richmond High School, St. Louis, the groom now works for Associated Lithographers in St. Louis.

The newly married couple are residing in St. Louis.

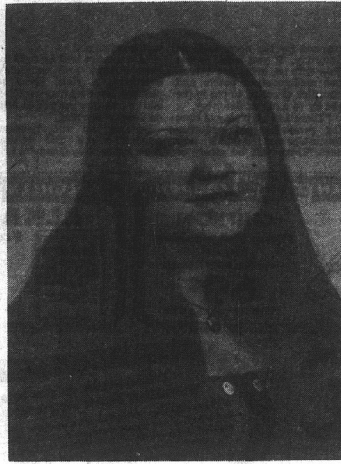

Mrs. Cook is club hostess

The Minerva Woman's Club concluded the club year of meetings and projects with a session held in the home of Mrs. Helen Cook.

Chairmen and committees for the 1977-78 year were announced by the newly installed president, Mrs. MarLean Manogian.

She outlined arrangements for each meeting of the forthcoming months. Members also agreed to donate funds for camp tuition for both the Boy Scouts and Girl Scouts.

The mystery prize for the evening was awarded to Jo Anne Terrell. Others responding to roll call were Mesdames Barbara Barr, Beverly Benoit, Phyllis Brusatti, Zola Burgess, Cathy Busch, Shirley Goff, Donna Halbert, Joyce Harris, Arlene Lauby, Faye Mercer, Clara Parker, Charlotte Rapp, Margaret Rehagen, Peggy Selinger, Mary Tarpeff, June Van Horn and Miss Elaine Shipcoff.

MISS KAREN HOOVER, whose engagement to Randall Graham is being announced by her parents, Mr. and Mrs. Frank Hoover, 2911 Buxton Ave. An Oct. 15 wedding is planned.

Graham-Hoover engagement

The engagement of Miss Karen Hoover is presently working in the accounting department of Stix, Baer and Fuller, downtown St. Louis store.

Her fiancé is currently employed at Granite City Steel. Plans are being completed by the betrothed couple for an Oct. 15 wedding to be solemnized at the First Baptist Church, with the Rev. Marvin Peters officiating.

Both young people are 1976 graduates of Granite City High School.

Linda Schmidt marries Joseph DeBenedittis

Miss Linda Elizabeth Schmidt of Fort Lyon, Colo., a daughter of Mr. and Mrs. David K. Schmidt of Granite City, became the bride of First Lieutenant Joseph Luigi DeBenedittis of Williams Air Force Base, Ariz., on Jan. 1.

The ceremony took place at Lowry Air Force Base Chapel in Denver, Colo.

The bride is a 1970 graduate of Granite City High School and a 1974 graduate of Southern

Martin-Wheeler nuptials at St. John United

The wedding of Miss Karen Wheeler and Schley Martin was solemnized in an early evening ceremony on May 18 at St. John United Church of Christ, 2901 Nameoki Road.

Officiating at the double ring ceremony at 6:30 was the Rev. Dr. Paul Surbey.

The bride is a daughter of Mrs. Dorothy Wheeler, 1703 Delmar Ave. Parents of the groom are Mrs. Hazel Martin, Highway 111, Granite City, and the late Schley Martin.

Attending the couple were Mr. and Mrs. Leroy J. Hartwick, as matron of honor and best man. The former Miss Wheeler is attending the Illinois Business

SCHOLARSHIP RECIPIENTS. Graduating seniors receive scholarship awards from the Granite City Federation of Teachers, Local 743, AFL-CIO, represented by Mrs. Virginia "Ginger" Sanders. At right, co-chairman of Local 743's Scholarship Committee. From left to right are Misses Enid Cox and JoAnn Barco, seniors at South High, and Miss Patricia Fyalka, a senior at North High School.

Teachers Federation awards scholarships

Three graduating seniors at Granite City high schools were presented scholarships by the Granite City Federation of Teachers, Local 743, AFL-CIO, at the group's general membership meeting last week.

The recipients are JoAnn Barco and Enid Cox, both students at South High, and Patricia Fyalka of North High School.

Mrs. Virginia "Ginger" Sanders, co-chairman of Local 743's Scholarship Committee, said the federation also renewed scholarship grants previously awarded to former Granite City students.

Those whose scholarships are renewed include Carol Atkinson, Karen Cooper, Marc Mason, Carol Nelson and Vince Straubinger.

The new award winners are planning to enter diverse areas of study at different institutions, Mrs. Sanders said.

Miss Barco, who lives at 1222 Meridian Ave., will attend the University of Illinois, at Champaign-Urbana, to study in

field of home economics education. Miss Cox, 2511 E. 24th St., will begin nurse's training at St. Luke's Hospital School of Nursing in St. Louis.

Miss Fyalka, 2565 Lynch Ave., will attend Lakeland Junior College at Mattoon, Ill., where she will be enrolled in the dental hygiene program.

Mrs. Betty Brooks, of Rapids City, Ill., will be the guest speaker at a meeting, on June 2, of the Women's Aglow Chapter of Granite City.

The president of the Moline Chapter, Mrs. Brooks is also vice-president and retreat coordinator of the Area State Board of Women's Aglow. She will speak on the topic, "Abundant Living."

Breakfast will be served at 9 a.m. and reservations are due before noon Tuesday, according to Mrs. Avalon Radford.

MR. AND MRS. MARLON BECKER. They were married in an afternoon ceremony in the home of the bride's parents, Mr. and Mrs. Frank Rodriguez, 1747 Delmar Ave.

Martha V. Rodriguez and Marlon Becker are wed

Miss Martha V. Rodriguez, a daughter of Mr. and Mrs. Frank Rodriguez, 1747 Delmar Ave., and Marlon W. Becker, a son of Mr. and Mrs. James Sanders, 2108 Fourteenth St., were united in marriage, April 30, in a ceremony conducted in the home of the bride's parents.

The Rev. W. L. Showers performed the ceremony at 2 o'clock in the afternoon.

Miss Michelle Borkowski, a cousin of the bride, served as maid of honor. William Wheeler, of East Alton, attended the groom as best man.

Given in marriage by her father, the bride chose a full length white organza gown fashioned with an Empire bodice enhanced with a high pleated collar and ruffle trim forming a pinaflore effect.

The long sleeves were created

in a Venise lace with wide cuffs. Matching lace bordered the A-line skirt and chapel train. Her shoulder length bouffant veil of bridal illusion was secured with a lace motif headpiece and she held a bouquet of daisies, baby's breath and greenery, festooned with white satin streamers.

A reception for relatives and guests was held immediately following the service at the Rodriguez home.

The newly married couple are residing in Granite City.

Old scouts to attend reunion

An "old scouts" reunion will be held beginning at 5 p.m. Friday, June 3, and ending at 5 p.m. Sunday, June 5, at the Old Parish Hall in Mitchell.

Persons in the area who were registered Cub Scouts, Boy Scouts, Explorers or scout

leaders prior to 1950 are being invited to attend, according to G. Rollin Henn, chairman.

He commented, "If you plan on staying one night or all weekend, bring your cot or air mattress with bedding to match the weather. Bring your food,

eating utensils, cooking utensils, charcoal burner and charcoal.

"Bring any old scouting pictures, trophies, patches or other items of interest to display. There will be plenty of room in the building for those

wishing to sleep inside.

"There will also be plenty of room in the back yard for putting up a tent for those wishing to sleep in a tent. If you wish, bring your tent," Henn added.

"A big pot of mulligan stew is

planned for the noon meal on Saturday. If you want to eat stew with us, bring one carrot, one medium-sized potato and one stick of celery to put in the pot by 10 a.m. on Saturday.

"There will be plenty of time for renewing old acquaintanceships and for making new ones. There will be plenty of

yarn-swapping.

"A campfire will be held on both Friday and Saturday evenings. A field Mass is planned for Saturday evening and church services will be held on Sunday morning.

Serving on the reunion committee are Ted Scrum, Zane Miller, Ray Gaudette Sr.,

Guy Lehr, Floyd Jordan, Carl Aldridge and W. F. "Mick" Strange.

Persons wanting more information are being asked to contact Scrum at 876-2775 or Henn at 423-3124.

Kathy Burns is honor graduate

Mrs. Kathy Gail (Grisham) Burns, a daughter of Mr. and Mrs. E. Ray Grisham, 82 Shirwin Drive, graduated with honors from Eastern Illinois University, Charleston, this month.

She received her bachelor of science degree in home economics, certified to teach in kindergarten through the 12th grade.

Mrs. Burns was a four-year member of Phi Alpha Eta, Eastern's honorary women's sorority, and also received an A-average award.

The former resident is a 1973 graduate of Granite City High School South. She was seventh in her class and served as president of the Student Council during her senior year at South. She and her husband, Thomas Burns, reside in Charleston, where he is also a student at Eastern Illinois University. He will complete his education in November with a major in industrial arts.

Railroad sees coal use rising

Norfolk and Western Railway stands ready to meet any challenges offered as the nation expands its coal use over the next decade, John P. Fishwick, the railroad's president and chief executive, told stockholders at the 1977 annual meeting in mid-May.

Noting President Jimmy Carter's goal of increasing coal production by two-thirds by 1985, Fishwick said, "We and other coal-hauling railroads will have a lot of traffic to move. We are delighted with that possibility."

However much additional coal our country begins using, NW stands ready to haul its share."

If utilities could convert quickly to coal-burning, "we could boost our coal volume substantially right now," Fishwick said. The coal mines NW serves have enough idle capacity to expand production about 20 percent, to 80 million tons a year, he said.

The railroad itself also has the coal hopper fleet, locomotives and high-quality track "to take a good increase in coal traffic when it develops without any appreciable increase in our investment," he said.

Citing NW's record 1976 earnings and "strong financial position," Fishwick said NW has "the ability to expand even more as circumstances require."

Rites held for Mrs. Greenway

Mrs. S. M. Wilson of Granite City has received word of the death of Mrs. Grace Greenway, 81, of Sedalia, Mo., a former Granite City resident.

Mrs. Greenway died on May 5 in the Sedalia Hospital, where she had been a patient for one week.

Her husband, the Rev. G. C. Greenway, who died four years ago, had served as pastor of the First Baptist Church here in the early 1960s.

She is survived by one sister, Mrs. Ruth West of Fulton, Mo. Funeral services for Mrs. Greenway were conducted at a Baptist church in Sedalia. Burial was in the Holts Prairie (Mo.) Cemetery.

MARY LOFTUS

Mary Loftus chosen to compete at fair

Mary Loftus, 13, a member of the Patchworkers 4-H Club, was chosen to go to the state fair competition with her demonstration on "Art Mediums." One of her 4-H projects this year was Sketching and Drawing. She was one of 15 4-H members from the county who presented demonstrations at the Madison County project on May 19 in Edwardsville. Another Patchworker member, Michelle Loftus, 9, also received an A-rating and was selected as second alternate for the state fair with her project demonstration, "Carving Leather." Mary Loftus is completing her fourth year as a 4-H member and Michelle is concluding her second year in the club, led by Mrs. Martha McIlroy.

Pi Eta Chapter reveals names

Pi Eta Chapter of Beta Sigma Phi Sorority, held a revealing day event at the Smugglers Inn, St. Louis, last week and disclosed names of their secret pals for the year. Members agreed to hold a chapter anniversary observance, on June 5, at the home of Mrs. Charlotte Charbonnier. They also received recognition for donations made to the Ronald McDonald House, Chicago, and to the special olympics for youngsters, according to the president. Those attending were Sandy Ashcraft, Betty Beck, Charlotte Charbonnier, Wanita Graham, Judy Onesky, Jerry Turner, Donna Yehling, Judi Campbell, and Kathy Welsh.

Mrs. Ryan heads Parkview PTA

Mrs. Phyllis Ryan was installed as president of Parkview School PTA in ceremonies conducted at the school by Mrs. Agnes Fryntzko, school principal. Other officers to serve for the ensuing year are Arnel Allen, vice-president; Mrs. Evelyn Cross, secretary, and Mrs. Donna Kessler, treasurer. Mrs. Fryntzko presented the past president's pin to the retiring officer, Mrs. Pat Bielecki. During the final session of this year, Mrs. Barbara Haddock, president of the Area Council PTA, awarded the school a national PTA certificate of achievement for the 1976-77 year, marking a membership gain over the previous year. Mrs. Bielecki announced funds from various projects will be used to purchase physical education equipment, records for the music room, supplies for the kin and learning materials for the school. Refreshments were served by Mrs. Dee Robinson, hospitality chairman.

Rev. Clendennen at Maryville Church

The Rev. Burt Clendennen, nationally known radio and television personality, will speak at 7:30 tonight and Friday evening at the Maryville Assembly of God Church, according to the pastor, the Rev. George Ankarlo. The guest speaker is on Channel 30 with the "Voice of Victory Broadcast" at 11:30 every Sunday evening, is the author of numerous books and was the producer of the motion picture "The Judgement" the host pastor added. Rev. Clendennen is pastor of Victory Temple Church, Beaumont, Tex. According to Rev. Ankarlo, the public is invited to attend the services, admission free.

ST. LOUISIAN INJURED
Larry J. Shoemaker, 20, St. Louis, had x-rays taken and was treated for injuries at St. Elizabeth Hospital this week following an accident in which his auto was involved at Iowa and 14th streets, Madison.

David Isaac, St. Louis, was the driver of the other vehicle.

Mosquito spraying training

The Nameoki Town Board of Trustees voted Monday night to send up to four Manpower employees to a training course in Benton, Ill., June 7 to attempt to have at least two certified by the state as licensed to use mosquito spraying equipment.

Trustee W. Lee Adams contended that the township's mosquito spraying program has been operating without a certified sprayer operator for the last four years, in possible violation of Agriculture Department regulations.

He said the day-long training program is followed by testing, and only about half of those who take the tests pass and are certified.

Since the spraying operations should always be under the supervision of a certified operator, he said, four employees are to be sent in hopes two will pass the test and be certified.

The board agreed to pay mileage, dinner and the registration fee for the men who take the course, noting it will take place during a normal working day and they also will receive their regular pay through the Manpower program.

Supervisor Harold Davis said he already has talked to the workers in the mosquito spraying program and four have indicated an interest in taking the course.

Adams said the program is operating well at the present time, using a truck borrowed from the village of Pontoon Beach under an agreement that the truck will be loaned free if the township will include the village in the spraying operations.

Bids are being sought, meanwhile, for a new township truck and sprayer unit.

Adams said the portable "back-pack" sprayer the new board purchased at its first meeting is working well and is being used by Manpower employees on ponding areas which cannot be reached from a truck.

\$625 CAMPER LOOTING

A thief tore the screen from the locked door of a truck camper, gained entry and ransacked the interior, stealing a 35mm movie camera valued at \$150, 35mm camera worth \$165, Polaroid camera costing \$160 and two fishing rods and reels valued at \$150 during the weekend. Cecil Carnahan, 2131 Grand Ave., who reported the theft, said the vehicle was parked outside his residence.

Rom. 8:37 "...we are more than conquerors through Him that loved us."

It has been said over and over again, winning is not everything, it's the ONLY thing. You would be more than a little surprised to find that this attitude is not restricted to certain sports, or superstars. We have developed a total system of rewarding the winners and chastising the losers in our society.

God has rewards for winners also. However, our victory in His kingdom is not dependent upon what we do, but upon what Christ the Son of God has done. We are Rewarded for believing not doing. He has won the victory for us! "Whoever believeth on Him shall not perish, but have everlasting life." In God's sight it is not the one who makes the most money, goes to the top in his profession, or is the most talented, but, one who believes on His Son.

Therefore the statement of Paul the apostle, "Through Christ we are more than conquerors."

Why don't you become more than a conqueror through Him? Today.

Pension plan reports due

Governmental units and churches that have employee pension benefit plans must file annual returns with the Internal Revenue Service, Ira S. Loeb, district director, is pointing out. Form 5500 or 5500-C, Annual Return-Report of Employee Benefit Plan, is required whether or not the governmental units and churches have received, or have applied for, a determination of the qualification of their pension plans.

Certain church plans* for which an election has been made under Section 410(d) of the Internal Revenue Code must also file Form 5500 or 5500-C with the Department of Labor. Governmental plans are not required for filing with the DOL, according to Loeb.

Some of the provisions of the Employee Retirement Income Security Act (ERISA) do not apply to governmental plans. The provisions which are not applicable are indicated in the instructions to Form 5500 and 5500-C. Prior to ERISA, most governmental and church plans were not required to file annual returns and are, therefore, not on mailing lists for IRS forms. These organizations may obtain forms at any IRS district office or by calling IRS' toll-free number, 800-525-2221, between 8 a.m. and 4:45 p.m.

Loeb said a penalty of \$10 per day, not to exceed \$5,000, can be imposed on returns filed late, unless the plan can show reasonable cause for its failure to file on time. The instructions to the return contain the due dates for filing.

"REQUIEM" CONCERT TONIGHT, TOMORROW Verdi's "Requiem" will be presented at the annual music scholarship benefit concert tonight and Friday at 8:15 in the SUIC Communications Building Theater. Performing will be a chorus of 200 voices, the 90-piece University Symphony Orchestra and several soloists, including Sarah Turner, Carol Kirkpatrick, Rico Serbo and William Olson.

The concert will be conducted by Leonard Van Camp. Tickets, at \$2 each, are on sale at the University Center ticket office, at the Department of Music office and at the doors. Donations are tax deductible.

Personnel records, musical records keep Fleenor busy

Navy Personnelman Patrick J. Fleenor, husband of Mrs. Barbara J. Fleenor, 1104 Reynolds St., Madison, is presently in the Mediterranean serving aboard the fleet replenishment oiler U.S.S. Kalamazoo.

His ship, the Kalamazoo, left Mayport, Fla., on Jan. 15 for what will be a six-and-a-half-month deployment as a part of the United States Sixth Fleet. Since the deployment began, he and the Kalamazoo have provided fuel, stores and ammunition to over 80 ships ranging from aircraft carriers like the U.S.S. John F. Kennedy and Franklin D. Roosevelt to guided missile destroyers like the U.S.S. Farragut and Dewey. Recently, Fleenor participated in Operation Locked Gate, a joint U.S.-North Atlantic Treaty Organization exercise in the western Mediterranean.

In addition to 12 U.S. ships, the exercise included warships and aircraft from the United Kingdom, Netherlands, West Germany, Portugal and Norway. The exercise lasted for ten days.

As a personnelman, "PJ" is responsible for maintaining the personnel records for Kalamazoo's crew of nearly 400 men.

Although this job is time consuming, he still finds time to serve as editor of Kalamazoo's newspaper and as "disc jockey" on "WAOR," Kalamazoo's radio station. Fleenor's work brings him in close contact with many of the crew, not the least of whom is Captain Edwin R. Kohn, commanding officer.

Capt. Kohn comments, "PJ's enthusiasm and conscientious effort are essential to the well being of the men aboard this ship. He is a fine shipmate and a contributor to the Kalamazoo's mission."

MEDITERRANEAN DUTY is the current six-and-a-half-month assignment of Patrick J. Fleenor, a shipboard disc jockey, editor and personnel record-keeper.

Since then, he has visited many cities, including London in September. "London struck me as one of the most beautiful and interesting cities I have ever been in," he says. "It exceeded all my expectations, and I had a great time."

A 1974 graduate of Granite City High School North, Fleenor joined the Navy in June 1975. He reported to the Kalamazoo in March 1976.

ARREST 3 AFTER CAR STRIKES PARKED AUTO

Jeffery A. Holmes, 20, St. Louis, was arrested for alleged illegal transportation of beer, improper use of a registration and title, failure to reduce speed to avoid an accident and an invalid registration after a crash at 5:15 p.m. Monday with the parked auto of Roger D. Cluts, 2322 Grand Ave., at that address.

Joseph W. Biggers, 21, and James Richardson, 20, also of St. Louis, passengers, were charged with illegal possession of beer.

What are you doing this summer?
Why not spend part of it with us?

Plan now to enroll for the regular academic Summer Quarter at Southern Illinois University at Edwardsville.

Appointment Registration: June 1, 8:30 a.m. until 7:00 p.m.
June 2, 8:30 a.m. until 1:00 p.m.
Open Registration: June 2, 1:00 p.m. until 7:00 p.m.
June 16, 8:30 a.m. until 7:00 p.m.

Courses range from the full 11-week term to 8-week sessions and short-term workshops ranging in duration from weekends to 4 weeks.

Courses of instruction are open in all levels from introductory to graduate, offered during the day and evening. The format of instruction varies from traditional classroom to workshops.

Special Interest Courses:

A variety of special workshops for teachers, counselors and school administrators.

Special Mississippi River Festival workshops offered in-music and in theater and dance.

A full year of basic French, German and Spanish language instruction in one summer.

NEW EMERGENCY TRUCK delivered during the weekend to the Long Lake volunteer fire department. Valued at \$43,500, it is equipped to handle almost any type of emergency.

ELABORATE CONTROLS operate a multitude of emergency functions in a new Long Lake fire department emergency truck. The truck was custom-built to the design and specifications of the members of the local department to meet what the firemen believe is needed in the Long Lake area.

Long Lake firemen design their own emergency vehicle

By WALTER STRANGE
Press-Record Staff Writer

When an emergency arises in the Long Lake fire department area, the firemen will be well equipped to handle it. A new emergency vehicle designed by them was delivered during the weekend.

The vehicle was built by the Gerstenslager Company of Wooster, Ohio, and is valued at \$43,500.

The truck is designed to carry such rescue equipment as the "jaws of life" — used when people are pinned under or inside something. Vehicle extrication tools, ropes, harnesses, belts and pry bars also are included. It has basic life — support

equipment, such as backboards, stretchers, cardiopulmonary resuscitation (CPR) equipment, blood pressure monitoring paraphernalia, oxygen inhalators and first-aid equipment.

In addition, the truck carries foam firefighting equipment, smoke ejectors, fire-seen forcible entry tools, gas detectors and self-contained breathing equipment.

It is designed to transport personnel to a fire or rescue scene and has a seating capacity of 10 people.

The truck will carry scuba diver equipment and can tow a rescue boat and trailer when needed.

It has an electric starter, and a 120-240-volt power plant for operation of floodlights, smoke ejectors and the "jaws of life" tool.

Inside compartments hold light rescue and first-aid equipment and the heavy equipment will be in outside compartments.

C. Arnold Rutherford is fire chief. Mike Karlechik is emergency chief, John Krug assistant emergency chief and Earl Arnold assistant fire chief.

The truck was paid for from funds raised by various activities given by the firemen, with some monies coming from grants.

Venice Council is opposed to election change

Venice City Council members voted Tuesday evening to oppose House Bills 1977 and 1978 that would consolidate elections and make changes in the administration of elections.

Alderman Tyrone Echols, after a council discussion, said, "I move we instruct the clerk to notify our legislators immediately that we as a council are vehemently opposed to these bills."

"They just do not make good sense and would leave the door wide open for irregularities," Bill 1977 is a comprehensive election code similar to plans offered and discussed in prior years but not enacted into law, Harry Hartman, city attorney, said.

Under terms of the bill, there would be three elections conducted every two years — the general election in November of even numbered years after a primary in May, consolidated elections held in odd-numbered years in May with the primary in March, and non-partisan elections held in odd-numbered years in November.

The consolidated election is the one at which almost all municipal officials are elected and at the same election the following also would be elected: township officers, highway commissioners, road district clerks and special district officers.

Municipal elections would be conducted by county clerks and a Board of Election Commissioners, where established.

According to Hartman, for all practical purposes municipal elections would lose all duties and responsibilities for municipal elections.

Special municipal propositions, such as bond issues and other referenda, could be held only at the three elections set forth or at the primary.

The council accepted an arrest report for April which showed \$389 received from the circuit clerk's office in fines, 38 adult arrests and five juvenile arrests.

The council approved a building permit for Mrs. Eugene Keene, 645 Salvester St., for a \$2,500 one-room frame addition.

Mayor William Ebersoldt said, "I would like for Alderman George Lewis, Tyrone Echols and Hank Swetz to review a proposed station wagon burglar alarm system and make a report back to the council."

The council designated Mayor Ebersoldt to replace Walter "Bud" Simmons June 1 on the Tri-City Regional Port District board.

TAKE STATION WAGON

The light blue 1966 Ford Country Sedan station wagon of Harold Siebert, 1132 Wanda Drive, Mitchell, was stolen from the 2300 block of Iowa Street between midnight and 2:40 a.m. Wednesday. The vehicle has a dent in the left side.

ACCIDENT THIS MORNING at 23rd Street and Edison Avenue, causing injuries to three women and two children. The northbound station wagon of Helen Clark, 30, of 2826 W. 20th St., at left, drove through a stop sign and collided with the eastbound station wagon of Michael Hurcoy, 3027 rear Warren Ave., witnesses alleged. Her vehicle then turned on its side and slid into

two parked cars. Helen Clark and four persons in her auto were being treated this morning at St. Elizabeth Hospital. Injured were Charlotte Faler, 34, of 1959 Poplar St., Harriet Hull, 27, of 2822 W. 20th St., and Marti Littlejohn, 9, and Joyce Littlejohn, 7, both of 2031 Lee Ave. None was believed seriously injured. Helen Clark was ticketed for failure to observe the stop sign.

Mitchell baseball parade, ceremonies

More than 200 Mitchell-area boys and girls will participate at 1 p.m. Saturday in the Mitchell Athletic Club's fourth annual season-opening baseball parade. The club's 1977 queen will receive her crown in ceremonies at Mitchell diamonds.

Miss Theresa Susan Vanforn, 16, a daughter of Mr. and Mrs. Donald (June) Vanforn of Granite City, will reign over the 1977 season after being crowned by the 1976 queen, Karen Norris.

Assisting Miss Norris during the ceremonies will be Willard "Butch" Portell, Madison County circuit court clerk, who will serve as master-of-ceremonies; Mike Shannon, sportscaster and former major league baseball player; and Doc Maxwell, World Series veteran formerly of Granite City.

Attending the queen will be Connie Marie LaVelle and Christine Ann Jenkins.

Portell will introduce many of the guests.

Officials and dignitaries will

include: Harry Breckner, president of the club, and Myron Merz, athletic director, plus Madison County Sheriff John Maers.

Representative Joe Lucco, State Senator Sam Vadalabene and B. J. Davis, superintendent of the Granite City community school district.

Gordon Routh, parade chairman, notes that Alice Reber has been named this year to serve as athletic director in charge of 18 girls' teams.

Routh also said the parade will include the Waterloo German band, units of the Mitchell volunteer fire department, a color guard of Boy Scout Troop 41 and an 18-piece band from Musicians' Local 717.

The chairman said the parade will begin at Mitchell Grade School at 1 p.m. and move east along Chain of Rocks Road in Mitchell to Greenway Drive and then south two blocks to the baseball diamonds.

Exhibition baseball games will follow the ceremonies.

Mixed volleyball tourney being arranged in Madison

A mixed double elimination Volleyball tournament for persons 18 years of age or older is being organized in Madison by Sam Dymas, recreation director.

Teams must consist of three women and three men with two women substitutes and two men subs.

The tournament is scheduled for Saturday and Sunday, June 18 and 19, at the Madison Recreation Center, Seventh and Lee streets, Madison.

Representatives of teams wishing to participate are being asked to contact Dymas at 677-6818 or 676-9787.

Nighohossian resigns from district post

Casper Nighohossian, an attorney in Granite City and an assistant Madison County state's attorney, resigned Monday as an attorney for the new Metro-East Sanitary District.

Nighohossian's resignation letter was read at a special meeting of the district's board of commissioners in Granite City Monday.

In the letter, Nighohossian said the resignation is effective immediately. He said he regretted resigning, adding, "But I feel it is necessary to take this course of action."

No other explanation was offered. He said his files on current cases, with a synopsis of the status of each, will be turned over to the sanitary district as soon as possible.

The board approved the district and pollution department payrolls before adjourning.

FACES SIX CHARGES

Charles F. Johannmeier, III, 3239a Maryville Road, was arrested after police allegedly chased his car several blocks on St. Clair Avenue Monday. He was charged with attempting to elude police, speeding, passing three stop signs on St. Clair Avenue at Maryville Road, National Avenue and Edgewood Avenue, and driving after his driver license was invalid due to curfew.

Mr. Lesh was a member of St. Joseph's Catholic Church. He had been employed for 25 years at Century Electric in St. Louis, until eight years ago.

Survivors include two brothers, Mrs. Joseph and Felix Lesh, both of Granite City; and two sisters, Mrs. Tony (Julia) Lovera and Mrs. George (Rose) Davis, both of St. Louis.

He was preceded in death by his parents, Mr. and Mrs. John (Elizabeth) Lesh, and another brother, Louis Lesh. Funeral arrangements are given in the obituary column.

MHS, North, South graduation programs

Commencement exercises will be held this week for Granite City High School South and North and Madison High School students.

Graduation ceremonies will take place in the Memorial Gymnasium at Madison Avenue and Nameoki Road at 8 p.m. Friday for North High School seniors.

James E. Mathis, valedictorian, will speak on "Remember the Future" during a talk on "Was It Worth It?" by Rod E. Hartzel, salutatorian. Outdoor commencement exercises are planned for the 1977 class of South High School at 8 p.m. Saturday on the school athletic field.

"Graduation—a New Beginning" is the topic of a talk to be delivered by Frank E. Reid, valedictorian. Salutatorian Carol Beth Pollio will speak on "A Winding Road."

Madison High School's graduation is scheduled for 7:30 tonight in the MHS boys' gymnasium and will feature Mrs. Norma J. Curby, senior engineer at the Monsanto Co. St. Louis, as guest speaker.

The 1977 lists of seniors at the three high schools are on Page 46 of today's issue.

Miss Marie T. Mozier, 65, of 5529 Floy St., St. Louis, formerly of Madison, died at 5:30 p.m. Wednesday at St. Elizabeth Hospital.

She was born in Madison and had moved to St. Louis 25 years ago. Miss Mozier had retired three years ago after being employed for 28 years with Carter Carburetor Co., St. Louis.

Survivors include one brother, John Mozier of St. Louis; seven sisters, Sister Mary Magdalene of the Franciscan Order, St. Louis; Mrs. Angeline Purdes, Mrs. Alexander (Veronica) Aleksiak and Mrs. Anthony (Caroline) Donoff, all of Madison; Mrs. Frank (Rosemarie) Wilgus of Caseyville; Mrs. Robert (Theresa) Seager of Cahokia, and Mrs. Alfred (Jacqueline) Hougl of Granite City.

Funeral arrangements are given in the obituary column.

BURGLARIZE GARAGE
Items valued at \$217 were stolen from the garage of William Mees, 2556 Revere's Road, between 10 p.m. Tuesday and 5 p.m. Wednesday. Taken were a tool box and tools worth \$100, a \$75 bicycle and a \$42 battery charger. Mees noted the garage has been burglarized about 12 times in the past year and several thousand dollars worth of items have been stolen.

MRS. SCOTT MANGAN, the former Miss Leslie Claussen who was married at St. John Lutheran Church. She is a daughter of Mr. and Mrs. Robert Claussen, 3116 Edgewood Ave. (Hollywood-Andrew Studios)

Leslie Claussen married in candlelight ceremony

St. John Lutheran Church was the scene of the wedding of Miss Leslie Claussen, a daughter of Mr. and Mrs. Robert Claussen, 3116 Edgewood Ave., and Scott Mangan of East Alton, a son of Mr. and Mrs. Ralph Mangan, 2837 Dale Ave., on May 14.

The Rev. Samuel Boda officiated at the double ring candlelight ceremony. A program of musical selections were played by Julie Cottrell on the organ and violin.

Escorted down the white carpeted aisle and given in marriage by her father, the former Miss Claussen, chose a formal bridal gown fashioned of white silk organza.

The shepherdess sleeves, trimmed with vertical rows of Venise lace, were set into the molded bodice designed with a V-neckline and stand up collar, lavishly appliqued with Alecon lace motifs etched with seed pearls.

Venise lace also trimmed the bouffant skirt hemline and, chapel train.

She wore a circular shoulder length veil edged with wide pearly Venise lace and she held a colonial bouquet of red roses, white daisies and baby's breath intermingled with clusters of star flowers.

Maid of honor Miss Barbara Koshor and bridesmaid, Miss Carol Nelson, were gowned in long blue A-line dresses complemented with long sleeved jackets.

They carried Dolly Madison colonial bouquets of blue tipped carnations centered with pale pink roses and baby's breath, on a garland of lace.

The groom chose Rick Morris as his best man. Darrel Lewis served as groomsman and David Claussen, a brother of the bride, and Carl Dziurawicz acted as the ring bearer.

Sheila Mangan, a sister of the groom, attended the guest book at a reception held at the Polish Hall in Madison. The tablecloth on the cake table was one used by the groom's great-grandmother, Mrs. L. E. Waters, for her wedding.

Miss Joyce Mangan, a sister of the groom, and Miss Tracey Arnold, the bride's cousin, assisted at the reception.

Members of the wedding party and their families were entertained at a rehearsal dinner held at Charlie's Restaurant.

For her daughter's wedding, Mrs. Claussen chose a dusty rose shirtwaist style gown with long sleeves enhanced with a pearl trim.

The groom's mother appeared in a pastel aqua blue Qiana dress featuring long sleeves gathered at the wrists with looped cuffs and pearl and gold buttons.

Both young people graduated from Granite City High School South. The bride is a math major at Southern Illinois University at Edwardsville, and also works at the American National Bank.

Her husband is employed at the National Marine Service. They are now residing in Rosewood Heights, Ill.

Out of town guests here for the wedding included Mrs. Sylvan Evans, of Hammond, Ind.; Michael Schmueser, Munster, Ind.; Mrs. Richard Netzel, El Paso, Tex.; Mr. and Mrs. Kenneth Castor and daughter Carol and Mrs. Richard Schubert all of Fort Wayne, Ind.; Mr. and Mrs. H. A. Mangan, Bismarck, Mo.; Mrs. H. Wilcox of Caledonia, Mo.; and Mr. and Mrs. R. E. Meyer and family of Sikeston, Mo.

Strawberry Festival on June 4

The traditional early summer "Strawberry Festival," sponsored by the Christian Women's Fellowship (CWF), will take place at 12 noon, Saturday, June 4 at Central Christian Church, 2020 Johnson Road.

In preparation of the festival, five months of diligent work was completed last week by CWF members, who have participated in weekly craft workshops.

Patchwork gingham pillows and macrame plant hangers are but a few of the many craft projects to be offered the public at the festival, according to Doris Edwards, chairman, and her co-chairmen, Lynda Leggett and Pat Sanders.

Proceeds derived from the event will be used to meet commitments of the CWF in mission work, local community needs and current projects of Central Christian Church, Mrs. Edwards said.

Many new attractions are included in this year's festival, the chairman said. A total of 14 booths will be featured.

Original oil and water color paintings and sketches will be offered in the "Paintings on Review in the Hall of Frames" under the supervision of Eva Meadows, chairman.

Guyla Stuart is responsible for "YE Olde Photo Shoppe," where a "strawberry patch" will provide a nostalgic background for the photographs.

The Christian Youth Fellowship and its sponsor, Joyce Rutledge, will feature a "Frustration With a Smile" booth, with many surprises in store, Mrs. Edwards disclosed, and the Chi-Rho Youth will conduct a car wash, supervised by Mildred Collins, sponsor.

Homemade baked goods will

be available for patrons to take home or consume in the strawberry patch, Velma Gruen, chairman said.

Sandwiches, tacos and strawberry shortcake and ice cream also will be spotlighted.

In the Garden Gallery, strawberry plants, hanging planters and flowers will be sold by Mary Alexander and Marie Gordon, co-chairmen.

Other chairmen and their areas of responsibility, include: "Treasures and Trivia," Marge Kacera and Dorothea Rivenburgh; "Stitchery," Lois Wolfe; "Ye Olde Bake Shoppe," Blanche Lane.

Ladies Coterie installs

The Ladies Coterie Guest Day and Installation will held last week at the Collinsville Holiday Inn, preceded by a luncheon.

Mrs. Ella Wade led the pledge to the flag and Mrs. E. F. Reiske recited the club collect.

Each member introduced her guest followed by the installation under the direction of Mrs. Rosamond Johnson.

New officers to serve for the forthcoming club year include Mrs. Arline Fox, president; G. Conley, Marvin Edgington, G. E. Filcoff, David Friedman, Fred Haug, Floyd Henley, David John, C. L. Louis, Alred Pape, and Fred Werner.

Mrs. Henley the retiring president announced the club will resume meetings in September.

After the meeting games were played and prizes awarded to Dorothy McCauley, Myra Parrish and Clara Huber, guests and to members, Medaeds with Edwards, John Gordon, E. J. Griffith, Raymond Horn, Walter Johnson, John Kenner, Louis Meek, B. S. Miller, and Dawson Wade.

"Crazy Crafts," Mary Lee Lorton; "Christmas in June," Joyce Bennington; "Bargain Bazaar," Harry Benninger and members of the Christian Men's Fellowship.

"Country Kitchen," Lumeta Durbin, Mildred Rees and Peggy Gibbons.

Mrs. Edwards said admission to the "Strawberry Festival" is free and the public is invited to join in the fun.

For a \$1 donation, patrons may choose between two tacos and a beverage; strawberry shortcake and ice cream; or a sandwich, potato salad and beverage.

FIVE MONTHS' CRAFTWORK is completed in preparation of the annual 'Strawberry Festival' on Saturday, June 4 at Central Christian Church by members of the Christian Women's Fellowship. Mrs. Peggy Gibbons, at left, shows patchwork pillows of gingham. Miss Tammy Leggett, center, puts finishing touches to a macrame plant hanger, and Mrs. Beverly Bull, instructor, displays other items. The women met for a craft workshop every Tuesday night for five months.

Nameoki Women's Club award scholarships

DONNA LAUGHLIN

LORI CLEMENT

The Nameoki Women's Club moved to Augusta, Mo., last week to visit the Mount Pleasant Winery, owned and operated by Lucian Dressel, a former resident of Granite City.

After the tour the group enjoyed a picnic lunch on the winery patio and Mrs. Eva Dressel served wine samples and complimentary cheese tidbits from the couple's Cheese Shop.

During the afternoon event Miss Lucinda Huck conducted a brief business session, and announced the club had selected Donna Beth Laughlin and Lori Denise Clement as recipients of the annual art award provided by the organization.

Miss Clement, a South High student, and Miss Laughlin, a student at North High School, will attend the Allerton Federation Art School in Monticello, Ill., for a one week session this summer.

Mrs. Millie Meek also reported three students will be chosen to attend a music camp this year.

Plans were discussed to start a memorial in honor of the late Sadie Schroeder, who served as librarian at the Granite City Public Library for many years. Members agreed to send a contribution as the initial gift for the fund and will encourage other groups to become active supporters of the project, Miss Huck added.

Guests present were Mary Miller, Helen Wyman, Dee Roberts, Ruth Mitchell, Bernice Grzesk, Rose Harris, Louise Thompson, Helen and Ella Hoelscher, Georgia Boettinger and Velma Farrance.

Members attending included Margaret Aronovitz, Mildred Branding, J. C. Byers, Ber-

nadine Cooley, Lily Dod, Muriel Dressel, Ella Mae Harsh, Alma Irvin, Carrie Jansen, Ertha Johnson, Jeanette Kraus, Claudia Lentz, Maxine Meas, Dorothy McCauley, Millie Meek, Pauletta Mueller, Lois Ann Parmley, Donna Schaefer, Marian Shelton, Hazel Towles, Verna Stuart, Irma Taylor, Helen Todd, Mary Werner and Ella Wade.

Graduates tour Chicago area

The graduating eighth grade class of Sacred Heart School went to Chicago during the weekend for a class field trip. Under the supervision of Miss Linda Wetton, eighth grade instructor, the class used various money-making projects throughout the school year to finance the trip.

Twenty-three students and ten adults boarded the chartered bus at 5 a.m. for the trip to the windy city. The group toured the Field Museum of Natural History where they were fortunate enough to view the King Tutankhamun Exhibit on loan from the Egyptian government. Later that day the group visited the Sears Tower and were impressed with the distance they could see from the world's second tallest building.

On Saturday the Sacred Heart students toured the Museum of Science and Industry and returned home late in the afternoon. Hotel accommodations were provided by the Palmer House in downtown Chicago.

Accompanying the class as chaperones were Mr. and Mrs. Brad Kiraly, Cheryl Schaus, Bob Schaus, Mrs. Doris McFall, Mrs. Joyce Shearlock, Mrs. Norma Burns, Mrs. Carol Squires, Mrs. Gertie Petty, and Miss Linda Wetton.

Members of the class include Eric Waltenberger, Susan Squires, John David Sherlock, Patty Sharp, Mike Schaus, Steve Renack, Kathy Pliebank, Patty Petty, Suzanne Pashea, Laura Milankovic, Tom McGowan, Cindy McFall, Joe Jakul, David Haugman, Christine Hatfield, Denise Goode, Patrick Foster, Matthew Foster, Todd Burns, Kim Bowers, Paul Batson, Breefni Baggett, and Mike Antoff.

Principal of Sacred Heart is Sister Mark Karla, O.P. STEVEN FEDORA SERVES AS RINGBEARER

Steven Fedora served as the ringbearer for the wedding of Miss Christi Kim Skelly and Ronald Edward Clark, on May 6, at Trinity United Methodist Church. He is the nephew of the groom.

Consumer plan gives too much power to the administrator

Guest comment by Leon Jaworski, former Watergate special prosecutor, to the U.S. House Government Operations Committee: The new Agency for Consumer Protection, which is called in House Bill 6118, would be vested with authority so broad that it could easily be turned to the political advantage of those who control it. There are no checks sufficient to harness that authority. Under these circumstances, creation of the new agency is unwise.

The Agency for Consumer Protection would be charged to "protect" and to "represent" the "interests of consumers" in nearly every activity of our federal government. The legislation would grant its administrator the right to appear before agencies and departments of government, the right to collect information by compulsory process from within and without government, the right to sue the government in federal court, and the right to speak from any platform—all on behalf of the "consumer interest" which he "represents."

Let us consider the implications of this authority. To do so, we must first inquire who are the new agency's constituents. They are called "consumers" as if there were a difference between a "consumer" and a "person." In fact, of course, there is no difference. The agency will ostensibly represent the interest of every man, woman and child in this nation.

This conclusion leads to the question of how the interest of the people will be determined in any given matter. There are no criteria in the bill for defining that interest, nor could there be.

Definition of the national interest is the most difficult and most fundamental objective of government; and ultimate responsibility for its accomplishment is placed by the Constitution upon the elected members of Congress and the President. I have severe reservations about

Air Force group's transfer decided—after three years

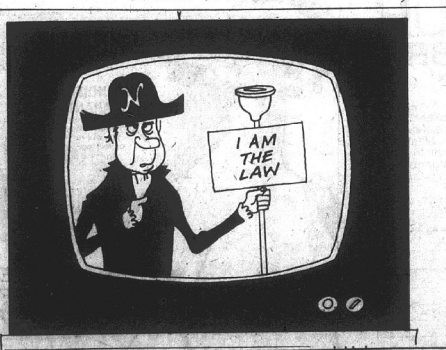

If Tuesday's Air Force decision is not further delayed, blocked or reversed, the Air Force Communications Service headquarters will be transferred soon from the Scott Air Force Base near Belleville. The move for 2,184 military and civilian personnel could have a favorable effect on the economy of the bi-state St. Louis metropolitan area. But, interestingly, it is still being fought by Missouri's Senator

Thomas Eagleton, who also has been so negative on airport development needs. Also of interest is the fact that the Communications Service transfer was first announced as long ago as 1974 before being halted by legal steps and a presidential veto. The only environmental impact statement. So many built-in delay mechanisms now exist across the spectrum of daily life in America that it seems much more common to read about non-actions than actions.

Death of bar and joist plant due to several factors

By PAUL B. AKIN
President
Laclede Steel Company
(Comments at May 19 annual meeting)

There is a tendency for all of us, under the press of immediate problems, to lose or overlook the longer range economic changes that are affecting the company.

The actions that we as Laclede Steel Company's management have taken—and the decisions that we have made in the past—have been based naturally upon our analysis of the circumstances at the time and upon our opinion of our future economic environment.

In the past few years, our opinion of the economic climate in this country has been through some very significant changes. It is interesting to note how some of the decisions that were made under one set of circumstances are faring now in light of this new set of circumstances.

This morning I will review briefly what we thought the future held for us and what actions we took based on those opinions in 1974, 1975 and 1976. I will then tell you what our opinion is of the present economic situation and the decisions that we have made in light of this new set of circumstances.

If we go back to 1973, you may recall that there was a tremendous demand for steel. But under the wage and price controls were removed and we were able to recover our costs and show some excellent earnings.

By mid-1974 we in the steel industry were convinced that there was really a shortage of steelmaking capacity in the United States and that steel would be in strong demand for at least one year.

The fact that the domestic steel industry had not added to its capacity for over ten years gave extra credibility to this viewpoint.

On the basis of this analysis we decided to consider the possibility of adding a third 200-ton plant producing an additional 100,000 tons and some other possible ways to increase our output and earnings.

We were concerned then that many new furnaces would be built and that scrap would be scarce and high priced.

We wanted a supply of deoxidized iron ore to supplement purchased scrap, and we knew that the only economic way to be sure of a supply of such ore was to either own or control a domestic ore source and fuel source.

The removal of oxygen from the ore requires a good supply of natural gas. If the most proven process is used.

With an eye toward a domestic source, we decided to operate an ore reduction plant, Laclede in 1974 joined with the Texas Pacific Oil Co. to explore for gas and oil in Southern Illinois.

In 1974, we also saw the need to modernize our World War II vintage rod mill. We had an opportunity to buy a finishing mill that had been designed to be a part of a rod mill similar to ours. As that management had subsequently decided to close the plant, the unutilized new equipment was sold to Laclede at an attractive price.

At that time we also recognized that our pipe finishing procedures were cumbersome, expensive and limiting. We had an opportunity to purchase some used equipment that would meet our needs and we went ahead.

At that time we also contracted to put a preheat unit on the pipe mill furnace and to increase the mill's productive rate by the addition of more mill equipment.

During 1973 and 1974 our automobile shredder was a very profitable unit for Laclede. As a shredder, it had a high rate of self-destruction and it had reached a point where major repairs were required.

We decided that in view of our scrap needs and of the probable long-term scrap shortage that it would be advisable to virtually replace the shredder with a larger unit, and placed an order for one accordingly.

Earnings in 1975 started out as a continuation of those in 1974. Our belief that steel might well weather a recession was strengthened.

In the second quarter, however, the bottom fell out. We struggled through the balance of 1975 at break-even levels.

Early in 1976, it looked as though the economy would be picking up—especially in the heavy construction end. There was an apparent flurry in the first half and then a collapse in the second half.

Demand for our industrial products, however, reached a high level early in 1976 and has

continued at these levels. Obviously, in 1974 we did not foresee the severity of the heavy construction recession.

For some time we continued to believe the economists' statements that "followed a dip in the economy the consumers are the first to regain their confidence. Shortly after the capital expenditures come in to support the recovery."

Well, the consumers did their "thing" early in 1976, and we are still waiting to see some activity in the plant and equipment expenditures. A few months ago, Citibank in New York commented on this point in their weekly newsletter. They stated that in a normal recovery, capital expenditures start becoming apparent four quarters after the trough.

They added that it is now seven quarters and we are still counting.

Just as we were wrong on our 1974 overall steel shortage theory, it appears that the economists who have repeatedly predicted plant and equipment spending are also missing something.

When the steel business turned down last summer, we began re-analyzing what was happening in the economy and very specifically, what was happening to our industrial products. Our industrial products were moving at almost record levels, but the sale of fabricated reinforcing bars was drifting lower and lower.

With the economy well along its upward swing, we tried to wonder why so long a lag in heavy building.

In summation, we decided that we could not expect much tonnage from the highway program as that is essentially complete for the next year.

Major real estate construction projects would be few for a while as the industry is still recovering from a recent major setback.

Dams and power plants have always been sporadic and we have had a long period of litigation before the first shovel can be turned.

The private sector is more than commercial real estate is therefore the segment that we must consider.

Second, and has been a very definite lack of enthusiasm to make expenditures for plant and equipment, we have tried to understand what was causing this reluctance. Two fundamental problems are apparent.

First: In the capital intensive basic industries, the corporate tax essentially takes all of the real earnings for such companies.

In my talk to you last year and in the annual report I described in detail how the understating of depreciation and the income tax credit artificially high.

The tax paid on these unrealistic earnings charges the right out of working capital, as earnings would have been poor or nonexistent if depreciation had been based on replacement cost had been allowed.

Businessmen in these industries know that and are not about to make investments that offer no return.

Second: In less capital intensive industries, we detect a lack of confidence in the political, economic environment. The present administration has shown an especially great inclination to support physical solutions to deep-rooted national economic problems.

The administration protests against the use of wage and price controls, but their recent action against the hospitals contradicts their protest.

A businessman who is looking at an investment that will take several years to pay off will be reluctant to commit his funds into such an arena, where political solutions are repeatedly applied to serious economic problems.

We feel that the above reasons have a great deal to do with why plant and equipment expenditures are at very low levels, and why they will probably remain so for an extended period.

This forecast is quite different from our 1974 opinion, and it has serious implications for the fabricated reinforcing bar product line.

Fabricated reinforcing bars have been one of our major product lines since Laclede's start in 1911.

For almost ten years, however, their contributions to corporate earnings have been somewhat marginal, except of course for 1974 and its momentum into 1975. Last year this product stopped making any contribution to corporate earnings, and became a net user of funds.

Furthermore, during the boom year of 1974 when steel manufacturing appeared to be a "sure way to get rich quick," several mini-mills were financed.

These have been built and are now eagerly trying to sell reinforcing bars and establish themselves in the

market.

In summation, we believe that the market for fabricated reinforcing bars is smaller now than it has been for a number of years, and that we will see a continuing decline at present levels for some time.

We are also convinced there are more than enough suppliers for the market and there is little likelihood that this product will make a contribution, if any, to corporate earnings for some time.

We have concluded, therefore, that the best thing that we can do under present circumstances is to move as much tonnage as possible out of the reinforcing bar product line and into our industrial products.

Fortunately, two of the decisions that were made in 1974 will help us accomplish this objective.

The new rod finishing mill makes it possible for us to produce more rods at a lower cost than we could with the old mill. The new equipment in the pipe mill has increased the amount of pipe that we can ship each month, and has also lowered our production costs.

For almost a year now we have been conducting an intensive program in the primary steelmaking department and in our rolling mills to enable us to produce products that we have not made in the past.

The program has been successful. We are now confident that we will be able to increase our shipments of industrial products by 10,000 tons a month within a year.

These economic investigations, the directors have been continually apprised of our findings. The investigation and appraisal have now been completed.

At a special meeting yesterday, the management recommended to the board that we replace our present fabricated reinforcing bar plant with a new plant of approximately 10,000 tons per month with 12,000 tons per month of additional capacity.

This recommendation as it applies to construction products affects fabricated reinforcing bars, as we expect to continue to produce mesh and a small amount of stock-length reinforcing bars.

The board concurred with the findings of the management and directed us to proceed in a prudent manner to meet our contractual obligations for fabricated reinforcing bars, and as soon as it is practical to do so, to close the reinforcing bar plant at the following locations:

Granite City, Ill.; St. Louis, Mo.; La., Beaumont, Tex.; Dallas, Texas.

Marvelous recovery after injury

To the Editor:

In behalf of my son, Jeffery Telor, 12, who was hit by a pickup truck in the 5300 block of Broadway in St. Louis on March 28, I would like to thank you for keeping the local people informed of his condition and progress during recuperation.

There was no way I could have answered all the inquiries of concerned friends. I would appreciate the opportunity to also thank all those who held him up in prayer during his critical moments.

As you know, he was in a coma for two weeks after suffering from a severe brain basilar skull fracture as well as two fractures in his leg.

The doctors said there wasn't

anything that could be done for him other than setting his leg and giving him medicine to try to help the swelling go down in his brain to relieve some of the pressure; after that, it was up to God.

For two weeks, all they could do was watch for signs of a possible blood clot forming on the brain, which would require immediate surgery.

But, on Easter Sunday, Lord brought him out of it. Although there was a great deal of swelling, the doctors couldn't determine as temporary or permanent, I was sure that Lord would bring him through that, too.

Jeff has since been transferred to Jewish Hospital for rehabilitation and is coming along marvelously.

He had been thrilled with all the cards that he received and has been making a scrapbook with them. We are thankful to everyone for their prayers, cards and gifts.

This coming Sunday—May 29th, also my birthday—Jeff is going to let me bring him home long enough to be baptized along with his brother at St. Louis Tabernacle.

I can't think of a nicer birthday present. He is really looking forward to seeing his many friends again.

MRS. TELOR

in the longer term we can anticipate two significant changes. Laclede's earnings will to a great extent lose the present

seasonal aspect. Without the entire reinforcing bars, the seasonal nature of our earnings should disappear.

The second change is that we can anticipate much better earnings from our operations after the change has been consummated.

I have mentioned that the pipe mill and rod mill decisions of 1974 were helpful in light of our present circumstances.

The outcome of the other two decisions of 1974 should also be covered. The decision to complete Plant auto shredder was a mistake. Well after we had become committed to purchase the new unit, another operator put up a much larger unit in the East St. Louis area.

The use of auto hulks doubled, our shredded scrap lost its economic advantage, and we lost the plant in the spring. The board has also authorized us to dispose of this plant.

Our reason in 1974 for going into an oil and gas exploration program was to try to find a local source of gas that would enable us to operate an iron ore deoxidation plant.

As time wore on, it became increasingly evident that our anticipated scrap shortage was unlikely to occur—and equally evident that oil and gas prices were increasing at an alarming rate. Thus, our reason for continuing in the program was undermined.

As a result of a number of reasons, other segments of the private sector are not choosing to invest in new plant and equipment. This can only lead in the years to come to higher levels of unemployment in this country.

Fabricating plants that we are closing are by comparison to the Alton Works small plants. The Alton plant employs 2,700 people while a big fabricating plant will employ only 1,000.

At the short term there will be a number of one-time expenses that will be incurred. Some will affect cash payoffs.

The bulk of the estimated loss to discontinue operations will not involve cash payoffs, but are required for accounting and reporting purposes to be recorded this year and placed on the balance sheet as a long-term liability.

How much these one-time expenses amount to and how much we will receive on the sale of some of our properties cannot be accurately forecast at this time.

\$800 burglary

An estimated \$600 in coins and a \$200 television set were taken from Illinois Bell Telephone Company garage property at 2241 Adams St. this week.

Entry was gained by breaking a window and then releasing a catch.

It was noted by an employee who discovered the burglary that an office and locker room were ransacked. A combination TV-radio with external speakers was taken from the office.

A safe in the locker room was broken into by forcing open three padlocks, and three coin boxes containing about \$200 each were taken.

LACLEDE STEEL COMPANY plant in Madison is shown in April 1964 during construction of its newest steel joist production facilities (right portion of the aerial picture, behind the main plant shown in the foreground). Joist production ended here in May 1971, and the company's directors on Thursday decided to close the Madison plant and end all production of reinforcing bars. This view is toward the northeast. Madison Junior High School on Third Street is in the left upper part of the picture.

READY TO BEGIN EXPLORING. Representatives of the Carpenters District Council of Madison County and vicinity review progress last week in organizing an Explorer Post, with Charles Hester, second from left, co-chairman with Charles Chapman on a "12th Hour" program to expand Explorer activities in the Cahokel Mound Council. From left, Dr. George T. Wilkins Sr., council Explorer committee member; Hester; John A. Ubaldi, secretary-treasurer of the Carpenters District; Charles Veach, member of Local 633 and district executive committee member, and Mrs. Rea Morrison, secretary for the Carpenters District. The Carpenters' Explorer post will specialize in community service and is expected to begin meeting in June. Reports of several new Explorer posts being organized in the Quad-Cities were made last week at a meeting of the Council Explorer Committee in Charlie's Restaurant.

TRASH AND LITTER strewn along Illinois' highways are becoming an increasing problem. It is estimated that the total yearly amount collected would fill a football field to a depth of ten feet. Larry Lovekamp (left) and Ken Weeder are shown filling the back of a truck with litter removed from the roadside.

Road litter costly

Motorists "literally" throw away \$3 million of Illinois taxpayers' money each year along the state's highways, according to the Illinois Department of Transportation. The department is into its annual statewide litter pickup program in advance of the principal moving season to prevent damage to equipment and reduce the number of dangerous flying obstacles. It estimates the cost for men and equipment at the \$3 million figure.

The department has conducted several special studies along test sections of highway to determine what items are thrown away to become litter. One study was conducted in 1963 and the latest study was conducted in 1975. Both studies involved about 3,000 separate items picked up along both sides of a one-mile stretch of highway.

The leading single items in both studies were non-returnable beer and soft drink cans. In 1969, 29 per cent of the total was non-returnable cans. By 1975 the percentage nearly doubled to 44 per cent.

Early indications from a

Reunion dinner for former Nesco staff

The office staff of the former Nesco Enameling Co., met during the weekend at Charlie's Restaurant for a reunion dinner.

Those attending were Mesdames Marie Delmar Day, Mercedes Poole Erdman, Naomi Randall, Josephine Ponce Mofsky, Mildred Nichols Ross, Eleanor Delmar Hawk, Leona Brace Delatoye, all of Granite City, Mrs. Barbara Zuk of Wood River, Miss Rebecca Rest of Bethalto, Mrs. Arline Heinke of Bellevue, and Mrs. Delores Budryk of Danville, Ill.

Some people use certain areas along Illinois highways as public dumping grounds and this adds to the work of the highway maintenance crews. Besides sacks of garbage, crews frequently must haul away large appliances, such as stoves and refrigerators.

Illinois law provides penalties of up to a \$500 fine for littering offenses.

RADIO, ANTENNA TAKEN
J. W. Wahl, of Jerseyville, reported this week that while his pickup truck was parked at the Venice riverfront boat dock area, it was entered and a citizen band radio, antenna and 10-inch wrench were taken.

Cum laude honors for Greg Gudac

Gregory J. Gudac, son of Mr. and Mrs. Joseph Gudac, 717 Iowa St., Madison, graduated with cum laude honors from the University of Missouri-Rolla with a bachelor science degree in mechanical engineering.

While pursuing his studies Gudac was a student member of the National Society of Professional Engineers, the American Society of Mechanical Engineers, Society of Automotive Engineers, American Society of Heating, Refrigeration and Air Conditioning Engineers and Pi Tau Sigma, the mechanical engineering honorary fraternity.

Gudac graduated from Madison High School, and prior to attending Rolla, served two years in the United States Marine Corps.

He will begin work toward a master's degree in mechanical engineering at Rolla, where he has received a research grant from the American Society of Heating, Refrigeration and Air Conditioning Engineers, involving work in the area of heat recovery using various types of heat exchangers.

He is married to the former Deborah Vaughn and they have a daughter, Amanda, 17 months old. They continue to make their home in Rolla.

Danny Smith, Paul Phillips, Bill Winter, Kent Monical and Mark Roderick. There were 5,286 visitors to the event, with over 1,000 Cubs, Boy Scouts and Explorers of the Cahokia Mound Council taking part. (Press-Record Photo)

TREASURE ISLAND IS PRESENTED by the Earth Theater last week to the student bodies of the Venice Elementary and High Schools in the school gymnasium. The company is comprised of professionals concerned with the development of students. The group presents classic plays and involves the students by having

them make decisions about the plot and even performing on stage as a character of the play. The group also gave a performance of Peter Pan during a morning student assembly. The theater was sponsored by the Title VII Project MICRO, directed by Mrs. Althea Cross. (Press-Record Photo)

City ambulance display Friday

Persons interested in the operation, equipping and staffing of the new Granite City ambulance service will have an opportunity to inspect one of the new ambulances and discuss the operation of the service with two EMT-trained technicians while the ambulance is on public display from 1 p.m. to 7 p.m. Friday in the parking lot of Central Hardware in the

Crossroads Shopping Center. The city presently operates four ambulances, one each from St. Elizabeth Hospital, the main fire station, the Nameoki fire station and the West Granite City fire station.

The unit at the Nameoki fire station will be used for the public display, but will be on call and could be put in use at any time during the display, a spokesman said.

Emergency medical technicians at the public display will be able to answer questions about the ambulance, its operation, fees, training, life support equipment and other aspects of the program, the spokesman added.

If we don't restore phone service to your home within 12 hours, ask for a credit.

Chances are, your home telephone service will never fail you. But if it ever does, getting it fixed is as easy as calling Illinois Bell's Repair Service.

Just dial the number listed in the front pages of your phone book.

We have over 5,000 repair people working for you, so you can normally expect prompt service. And there's no extra charge as long as the equipment is Bell's and the damage was not caused by abuse or neglect.

Occasionally, though, repair orders do get bunched up. So if you still can't make or receive calls at your home 12 hours after you've notified Repair Service,

you can ask for a credit for the time you were without service.

Just call your Business Office at the number listed on your phone bill and in the phone directory. Your Service Representative will look into it for you and determine what credit is due, based on your monthly service charge. (For example, on a monthly charge of \$12, a one-day refund would be 40%.)

How to get credit for an out-of-service phone is one of the many money-saving facts and ideas you'll find in our new booklet, "Consumers' Guide: Home Telephone Service."

To get the most out of your phone service, send for a free copy.

NEWEST BANK TAKES SHAPE. Construction of the Colonial Bank of Granite City, Pontoon and Maryville Roads, is well under way in this view. The 7,500-square-foot structure will be of Colonial design and will have three drive-in lanes. In the background,

at left, is the temporary bank building, which has been open since June, 1976. The construction is expected to be completed in five months.

Senate okays bill on corporation takeovers

A bill regulating corporate takeovers — sponsored by State Senator Sam M. Vadalabene (D, Edwardsville) — has passed the Illinois Senate by a vote of 57 to 0.

Senate Bill 1225 imposes a 30-day notice and 21-day waiting period, plus broad disclosure requirements, on firms or individuals trying to obtain more than five per cent ownership of Illinois companies having a

substantial number of employees and assets in Illinois.

"This proposal is not aimed at preventing takeovers, but to prevent quick corporate raids," Sen. Vadalabene said.

"The amendment to the Illinois Securities Law, administered and supported by Secretary of State Alan J. Dixon, will protect Illinois businesses, shareholders and employees," Vadalabene predicted.

"Shareholders and corporations, as well as employees, have a right to know who is trying to purchase their business interest, where the financing comes from and whether the Illinois business and employment climate will be affected."

Basically, Vadalabene said, the bill requires additional filings and dissemination about the use of a tender offer as an acquisition technique. It extends the time period to act on the offer, and bans fraud.

The local legislator said studies in 24 states with similar laws disclosed that "the little

investor has received a better deal, invariably including more shares for his or her shares than originally offered."

"Because the bill requires the names of those making the offer and the financial resources behind the offer, shareholders can act according to their principles about acquisitions." "Senate Bill 1225 regulates, rather than eliminates, tender offers — and regulates them in a manner which would be in the best interest of the shareholders as well as being fair to all connected with the offer."

"For example, the offer must remain open 21 days and the target company, as well as the state, must be given information concerning the offer at least 30 days before the offer is registered."

"Another protective measure is that the secretary of state can hold hearings and determine whether the offer meets requirements of full and fair disclosure and equal offers to all shareholders."

"The bill is important because tender offers are not made for failing or weak companies but for companies whose success and good management make attractive targets."

"What we are talking about is the protection of sound Illinois corporations, their employees and the people who have invested in them," Sen. Vadalabene added.

Midwest states with similar laws include Indiana, Kansas, Michigan, Minnesota, Ohio and Wisconsin, he noted.

BACHELOR DEGREE TO RAYMOND KLETT

Raymond F. Klett, Box 917, Rural Route Two, Granite City, was one of 130 seniors who received the bachelor of arts degree from Tarkio College (Tarkio, Mo.) at the college's 51 commencement, this month.

Klett graduated under Tarkio College's St. Louis area Extra Mural (off-campus) Degree Completion Program. The program is designed to meet the academic needs of the military, government employees, industrial workers, corporation employees or other interested individuals. Two courses are offered each eight-week term for five terms each year.

One million senior citizens in Illinois

(Office of Lieutenant Governor Dave O'Neal)

Q How many older Illinoisans are there?

A About one in every 10 persons in Illinois is age 65 or older — a total of 1,065,922 persons. In this century, the percentage of Illinois' population who are 65 or older more than doubled.

It was 40 per cent in 1900 and increased to 9.9 per cent in 1970. The older population in Illinois is growing older. In 1900, 25 per cent of the population, 65 or older, were age 75 or older.

In 1970, 39 per cent of the population 65 or older were age 75 or older. The proportion of population 65 or older varies by race and language. Of all whites, 10.5 per cent are 65 or older, 5.7 per cent of all blacks are 65 or older and 2.4 per cent of all Spanish speaking persons are 65 or older.

The senior population is increasing and it is estimated that in the year 2000, there will be 81 per cent more adults aged 35 to 44 than at present, and the number of people over 55 will be up 27 per cent. However, it is estimated that in 1985, there will have been a 20 per cent drop in the 18 to 24 year old population from the level in 1980.

While the number of young adults is expected to peak at 29.4 million, older persons in Illinois pride themselves on self-sufficiency and in-

dependence. Most want the opportunity to support themselves. Much has been done to assist older persons in their attempts to lead proud and dignified lives in their later years.

However, much more help is needed and many more opportunities must be created if the hopes and dreams of the "golden" years are to be fulfilled.

Lieutenant Governor Dave O'Neal's Senior Action Centers in Springfield and Chicago help with information, tax rebates, public aid, homestead exemptions, housing, social services, nutritional programs, social security, SSI, medicare, medical, transportation, senior rights, consumer complaints and any other concerns. Interested persons may write to 160 N. LaSalle, Chicago, Ill. 60601 or 3 West Old Town Mall, Springfield, Ill. 62701 with questions or complaints about any government agency or program. This column will be covering the many questions senior citizens have on various subjects.

Memorial Day flag ceremony

Memorial Day services to be held at Lake View Memorial Gardens on Highway 139 from 7 p.m. to 8 p.m. Monday, May 30, will include music, drama and a talk by Bob Hardy, Ains Temple past potestate Russell J. Maxwell, will preside.

After the invocation by the Rev. James A. Donovan, chaplain of St. Mary's Hospital, East St. Louis, there will be a unique flag-raising ceremony. Thirteen years ago at services conducted on Memorial Day Evening, Congressman Melvin Price presented veterans for use at the Lake View observance the flag flown over the nation's capital on Veterans Day, Nov. 11, 1963. A short time after, a veteran, President John F. Kennedy, was slain by an assassin's bullet.

Throughout the past 13 years, this flag has held special significance as it flew over Lake View veterans' programs, a spokesman said. Through usage and display, it has faded and Gene Jette, on behalf of Cong. Price, will retire it and direct the management of Lake View Memorial Gardens to place it among the archives of the cemetery to remain there throughout the ages with appropriate documentation. In its place, Price has presented a new flag which flew over the capital on Veterans Day, 1976.

As the new flag is raised Air Force Lt. Col. Thomas W. Sturgess, senior soloist, will sing the Star Spangled Banner, after which Hardy will lead the assembled crowd in recitation to the flag. Following the recitation, Col. Sturgess will sing the Lord's Prayer.

Maxwell will introduce commanders and presidents of veterans' organizations and recognize the individual colors, and there will be a concert by the Black Knights Drum and Bugle Corps.

Mrs. Evelyn Klopmeier, president of the Gold Star Mothers, will cast upon veterans of the lake a wreath of white carnations draped in red, white and blue bunting in honor of all veterans who have given their lives for their country. Catholic War Veterans Butz-Job Post 370's rifle squad will fire three volleys. As the Black Knights sound "Taps" in the distance, the American Legion Post 58 color guard will retire the colors.

Pizza Hut burglarized

Extensive damage was done to the interior of the Pizza Hut Restaurant, 1333 Johnson Road, during a burglary discovered this week.

Glass panes in an entryway door and then in the interior entrance door were broken and entry was gained by reaching through to unlock both doors. Eight large blocks of cheese were placed in the ovens, which were turned on, causing the cheese to melt and burn. Beer and soft drink taps were opened, allowing the liquids to run out.

Electrical service to the building was cut off at 5:20 a.m., according to a stopped clock.

Known missing are two coachlights valued at a total of \$50, and 10 cases of glasses valued at a total of \$180.

Child abuse task force

Governor James R. Thompson has announced a task force — supplemented by personnel from the Department of Law Enforcement and the Illinois State Police — that will investigate reports of child abuse and child pornography in state institutions and state-run programs.

The governor said he is taking a series of steps in light of allegations of abuse at the Windgate Home for mentally retarded children in Woodstock to insure the safety and adequate care of the children. He also said that the action was directed as a result of reports of alleged child pornography practiced by persons in state-funded programs.

"We cannot have child abuse taking place. To assure myself and the concerned citizens of the state that the alleged problems are not pervasive throughout the whole system, I am asking the task force to conduct a thorough investigation and come back to me with recommended improvements which will help assure dignified and safe care for the retarded," Thompson said.

The governor has asked Don Moss, director of the Association for Retarded Citizens, to head a group to work with state agencies and monitor treatment and care of retarded children throughout the state.

The task force will be aided by investigators loaned from the Department of Law Enforcement and the state police. Thompson met in Joliet with Tyrone Fanner, director of Law Enforcement, and Lynn Baird, superintendent of the state police, who indicated they would proceed immediately to establish a detail to work with the task force and the staff of the Department of Children and Family Services.

Thompson said the investigators will be made available to the subcommittee of the Commission on Mental Health and Developmental Disabilities, newly appointed by

Sen. John J. Nimrod, R-Skokie, to study the problem. Thompson said the task force also will:

- Serve as a watchdog over the developments in the Windgate home and report interim findings to the Governor by June 15 on the conduct of the state agencies involved and of the staff there.
- Act as an advocate for retarded children at the home to make certain they are treated well and that procedures are implemented immediately to prevent abuses to the children.
- Propose specific guidelines for all residential institutions on the proper level and techniques of restraint and specifically identify guidelines for appropriate and inappropriate methods of behavior modification.
- Propose methods for improving the efficiency of licensing and monitoring activities by the agencies involved.
- Develop methods to improve quality control and financial reporting by providers.

The governor also said the proposed Citizens Action Office of the state will receive complaints similar to those surrounding Windgate. The CAO will be funded starting July 1 if money is appropriated by the General Assembly.

The citizens action officer, who would report to the governor, would review the complaints. Thompson said that until the CAO is operating, complaints will be handled through the governor's office in Springfield by Tom Berkshire, special assistant to the governor for social services.

The governor asked the task force to make its full report by Aug. 1, 1977. Berkshire and Moss indicated they are recruiting task force members from the public and private sector.

Anti-recession and shared revenue in Nameoki budget

By GARY SCHNEIDER

Press-Record Staff Writer
A public hearing will be held at 7 p.m. Tuesday, May 31, on Nameoki Township budgets for town purposes totaling \$377,953, up \$41,187 from the budgets in the previous fiscal year totaling \$336,766.

The increases are primarily due to a new budget for \$17,000 in federal anti-recession, fiscal assistance grant funds which have been made available for the first time in this fiscal year, and for an anticipated increase in the budget for federal revenue sharing, up \$15,107 from \$67,350 in the last fiscal year to \$82,457 in this fiscal year. Neither is supported by property taxes.

An increase in the municipal retirement fund from \$12,000 in the previous fiscal year to \$20,000 this year, an \$8,000 rise was required when the fund ran short last year and loans from other funds were required to meet the township's obligation to the state's retirement program.

The town fund increased only \$1,000, from \$107,976 in the last fiscal year to \$108,976 in the current year, despite \$3,650 appropriated for elections, up from \$175 for that purpose in the previous fiscal year.

The administration appropriation in the town fund is up only \$505 from \$159,301 in the 1976-77 fiscal year to \$160,406 in

the tentative budget.

The amount reserved for contingencies in the town fund was decreased by \$2,900, from \$7,900 to \$5,000 in the new budget.

A general assistance budget with the same totals as the previous budget also has been posted. The total each year is \$80,440, including \$25,200 for administration, \$49,000 for home relief and \$15,200 for institutional care.

In 'the new anti-recession

fiscal assistance act budget, \$8,500 is appropriated for a mosquito control employee and custodian, and another \$8,500 is appropriated for a mosquito spraying truck and spray unit, for a total of \$17,000.

Projects proposed with \$2,457 of federal revenue sharing funds include \$25,000 for continuation of the environmental cleanup program in which township employees and Manpower workers offer a regular

schedule of trash and limb pickups. Ditches also are cleaned and other projects are done under the program. Another \$5,000 is appropriated for administrative salaries and \$400 is reserved for auditing the books.

To fulfill an agreement with the city of Madison, \$3,357 is appropriated from revenue sharing for alley paving work the city has completed in East Madison. A social program for the aged

and poor costing \$5,000 also is tentatively funded. It would pay for gasoline, insurance and operating expenses for a bus being donated through the county by Bo Beckman Ford, Collinsville.

Another attempt to establish a tornado warning system for Arlington Heights is to be made with \$10,000 from the revenue sharing fund. Previous attempts using Community Development funds were turned down as being a

cooperative program with Emergency Preparedness (civil defense) funds, in violation of regulations prohibiting "mixing" of grant funds.

Another \$10,000 is tentatively appropriated for the Long Lake Fire Department's new building drive and \$1,000 is set aside for additional fire hydrants. A \$4,000 grant to the Nameoki Volunteer Police Department (now patrolling in Precincts 3, 5 and 11) and a

\$5,000 grant to the State Park Fire Department toward a new truck also are included. The revenue sharing budget also appropriates \$1,500 for transportation and other costs associated with the Manpower program, but not eligible for funds from that program. And \$1,000 has been reserved for redecorating the State Park Community Building.

The remaining \$11,000 is earmarked for drainage to alleviate health hazards due to

standing water. The township's highway budgets already have been posted and adopted.

Township residents will be given an opportunity at the Tuesday, May 31, public hearing to express their views on the tentative budgets and to recommend changes. The board will meet in regular session following the public hearing to act upon the budgets. Both meetings will be at the town hall, 4250 Highway 162.

Manoogian is honored

A student at Westminster College, Fulton, Mo., Stanley C. Manoogian, son of Mr. and Mrs. Leo Manoogian, 3233 Fehling Road, Granite City, has been recognized by the Westminster Student Government Association for leadership and service to the college community and announced as the 1977-78 convocations chairman. Manoogian is a member of Beta Beta Beta, national biology honorary, and president of the Westminster chapter. A member of the Kappa Alpha fraternity, he was recently elected to Phi Alpha Theta, international history honorary, and Omicron Delta Kappa, national leadership fraternity.

A junior at Westminster, he is a biology major and on the dean's list.

AMY MARIE BARKER IS CHRISTENED

Amy Marie Barker, infant daughter of Mr. and Mrs. George R. Barker Jr., of Granite City, was christened last week at St. Margaret Mary Catholic Church by the Rev. Edward Groesch.

God parents were an aunt and uncle of the baby, Miss Mary McGowan and Edward Barker.

James Mathis, Rod Hartzel honored at North assembly

James Eric Mathis, 18, son of Mr. and Mrs. John Mathis, Rural Route Two, Box 782, was honored as valedictorian and Rod Eugene Hartzel, 17, son of Mr. and Mrs. Like Hartzel, 109 Cynthia Lane, was honored as salutatorian of Granite City High School North.

The awards were made during a Senior Recognition Assembly at the school Thursday.

William Bright, chairman of the Granite City Scholarship Foundation, presented scholarships to Crystal Andrews, Larry Libby, Teresa Niemeyer, Karen L. Simpson, Brian K. Smith, Anita Turner, Fred S. Wilson and Rodney Worthen.

TOP SCHOLARS AT NORTH are James Mathis (left), valedictorian, and Rod Hartzel (right), salutatorian. They are holding inscribed gold and silver medals.

He also received the Century 3 Leader's award sponsored by the National Association of Secondary School Principals. Becky DeForest was offered a scholarship to The Hickey School of Business.

Four North students received Letters of Commendation on behalf of the National Merit Scholarship program. They were:

James Mathis who will be attending the University of Illinois, Rod Hartzel, a legislative scholarship to a state of Illinois university, and a chancellor's scholarship to Washington University, and Anita Turner, who will attend St. Louis University.

Walter Gavlick received a \$500 scholarship to St. Louis University.

Virgil Flowers received a chancellor's grant to Illinois State University.

Sheila Hintz received a merit award for Eastern Illinois University.

Wendy Brandibas received a \$3,000 scholarship to Washington University.

Steve Seales received a \$3,200 scholarship to Dartmouth College.

Summer band program

Registration for the summer band or orchestra program in Granite City will begin on

Wednesday, June 1, at various locations, according to Joseph Owens, director of music for the Granite City School District.

The program is available to students who have completed the third grade and it continues through senior high school, he added.

If the child is a beginner, the instrumental teacher will help parents decide which instrument the individual is best suited for, Owens said.

Registration for all centers will be on June 1 as follows: strings, Frohardt, 9 a.m.; North High School freshman, North band room, 8 a.m. and ad-

vanced at 9 a.m.; South High School, all band students, South band room, 7 p.m.; Coolidge Junior High, 9 a.m.; Grigsby Junior High, 9 a.m.; and (Prather registration), at Emerson School, 9 a.m.

The summer music program will begin on Wednesday, June 1, and conclude on July 13. Tuition is \$10 for the six-week program.

Miracle Manor programs are to continue—Davis

"Misinformation from a few people" about programs and officials of Nameoki Township was blamed by some members of the Nameoki Township Board of Trustees as the cause for criticism leveled against the new township supervisor, Harold Davis, at Monday night's regular board meeting.

One resident of the Miracle Manor area stood in the audience at the meeting and accused Davis of saying that residents of that area were "trashy," and asked why he had discontinued programs to aid Miracle Manor residents.

Davis responded quickly that he was born in the Miracle Manor area and has many friends there "who are very fine people. I never said they were trashy or trash or anything like that."

The man also objected to what he said was Davis' halting of the environmental cleanup program in which township Manpower employees trimmed trees on private property.

Trustee W. Lee Adams said untrue rumors about the township administration are being spread. "The Manpower employees are the same. They have not been fired. The program is operating the same as it did," Adams said.

Former Supervisor Louis Whitsell explained that during his administration, there had been questions about the township's liability for Manpower employees on private property, even with the owner's permission. The Manpower office "put heat on" the township to halt the program, which then was stopped.

"I was not aware of its starting again," Whitsell said from the audience, adding, "I thought it was a good program. It was improving the looks of some areas, such as Miracle Manor."

"Where there were problems, we just went ahead and did the

work and solved them, helping the neighborhood. The program was stopped before the April election," Whitsell said.

Davis said his understanding of the program is that Manpower employees can be used to trim trees for residents who cannot afford to have it done. He said that of two requests he has received since taking office both properties were in litigation to determine the ownership and it would have been impossible to obtain permission from the true owners to enter the private property.

Trustee Norman Hessler said his understanding is that Manpower employees could be sent in private property with the owner's permission only if there is a health hazard.

He said the township's Board of Health should monitor all such requests and have a majority of the health board members approve in advance any work to be done on private property.

The issue was left unresolved and likely to be discussed at a future meeting, it was indicated.

Airman promoted
Randy C. Dinella, son of Mr. and Mrs. Charles A. Dinella of 10231 Baltimore St., St. Ann, Mo., has been promoted to airman first class in the U.S. Air Force.

Airman Dinella, an air operations specialist, is assigned at MacDill AFB, Fla., with a unit of the Tactical Air Command.

The airman, a 1972 graduate of Ritenour Senior High School, Overland, Mo., attended Southeast Missouri State College at Cape Girardeau. His wife, Kathy, is the daughter of Mr. and Mrs. John Petrovich, Granite City.

Continue Chouteau road official's expense fund

The Chouteau Town Board of Trustees Monday night voted to allow the new highway commissioner, Wilfred "Bud" Eberhardt, to collect \$100 per month expenses, the same as collected by the former highway commissioner, James Estes.

There had been discussion about reducing the commissioner's expense allocation. But the trustees agreed Eberhardt is using his private automobile and furnishing his own gasoline and maintenance for township business, and that the expense allowance is appropriate.

Eberhardt thanked the board and thanked Trustee Marion Sparks for donating a six-volt vehicle battery to the highway department so that one of the pieces of equipment could be returned to work.

Mrs. Patricia Polley, town clerk, reported that budgets for the town, general assistance, federal revenue sharing, municipal retirement and anti-recession fiscal assistance funds have been prepared and are being reviewed and typed by the township's attorney's office.

She said the budgets are expected to be posted for public inspection by Friday at the town

offices, 825 Thorngate Drive, Mitchell.
A public hearing will be scheduled for late June, after the budgets have been on display for 30 days, she noted.

The meeting was chaired by Marion Sparks in the absence of Supervisor Walter "Dick" Sparks, who is meeting with officials of the U.S. Department of Housing and Urban Development in Washington, D.C., attempting to receive increased Illinois public aid benefits for residents of the Madison County Nursing Home, it was explained.

Firefighters to aid handicapped
Granite City firefighters have been granted permission by the City Council to use the No. 1 fire station at 23rd and Madison Avenue for a benefit car wash to be held on July 23.

In a letter to the aldermen, Ed McGovern, president of Local 259 of the Granite City Firefighters' union, said proceeds of the car wash will go to the Special Education Olympics, a physical agility test program for handicapped youngsters.

In closing, McGovern added an invitation to members of the council to "come down and help us wash cars."

Oppose registering on day of election

Dr. Edward Ragsdale, chairman of the Madison County Republican Central Committee, this week announced a program of opposition to "instant voter registration in the polls" as proposed by President Jimmy Carter. Assisting will be Jack Penning Jr. of Godfrey, Bob Barton of Granite City and precinct committeemen throughout the county.

Dr. Ragsdale said that officials of both parties who would

administer the proposed program predict the plan would be expensive, confusing and conducive to fraud.

John H. Hanly, who heads Chicago's election board, said of the Carter measure: "It will erode the integrity of our elections since it is totally lacking in any safeguards on the front end at the time of registration and voting.

"Further, it will congest and disrupt our polling places and certainly turn off, if not away, the voter who is civic-minded

enough to get registered in the normal way."

For Ragdale said, "This proposal, if enacted, would be an invitation to vote abuses and would be almost impossible to police. Identifications could be easily forged."

"The registrar would have only a few seconds to verify the registrant's identity and his qualifications to vote."

"Some counties have a poor record in prosecuting voting violations. The fact that many committeemen are paid \$1.25

Penning, who headed a voter observation project in Madison County last year, said that in his opinion, "low voter turnout is due more to voter apathy than lack of registration availability."

"All interested citizens are urged to write their congressman and both U.S. senators to urge they vote against instant voter registration," Dr. Ragsdale concluded.

THREE ARE ARRESTED

Two men and a youth near a car at 19th Street and Edwardsville Road during the weekend were charged with violations involving alcohol. Reese M. Hendrickson, 19, of 1353 Edwardsville Road, driver of the car, was booked on illegal transportation of alcohol and contributing to the delinquency of a minor; Jerry Nisheke, 31, of Valley Park, Mo., was charged with illegal possession of alcohol and contributing to the delinquency; and the youth, 16, was charged with illegal possession of alcohol.

your house

IT'S PITTSBURGH PAINTS
SUN PROOF[®]
Latex HOUSE PAINT

Your house stretches and shrinks with variations in temperature and humidity. It's this expansion and contraction that most often causes house paint to work loose, crack and
